Zyir has taken over the empire and locked down Miami's streets. He has the world in his palms but there is always new blood ready to overthrow the throne. Young Carter has retired and moved away from the madness that is until he gets an unexpected visitor at his home. This person shakes up the whole family causing chaos that threatens to bring down the Cartel for good. When a Boeing 747 drops out of the sky with the men of The Cartel aboard, the women of the family have to step into their own. With the federal government on their heels and the family on the brink of destruction, a female dynasty is born. After the government's case is thwarted, the ladies plan to take the family legit. They head west to establish a new endeavor but with new territory comes new problems. The Carter family name doesn't ring as loud as it did in Miami. It's a new set of gangsters, a new set of rules as the Cartel finds problems with an Arabic millionaire. Even as the new Cartel struggles to go legit, trouble always finds a way into the family's circle. Larceny, deceit and murder are all in the cards.
