Its fire service is vital to the area's infrastructure and its firefighters must always be prepared. For the first time the story of this fire station and of the Waterside's private and military fire brigades is told. From establishment in the early twentieth century through the development of the fire engine and firefighting techniques to combating modern day terrorist threats, Fawley's firefighters have witnessed it all. This book looks at how the station and its crew, now reduced from full to part time staffing, have evolved in the face of new dangers and challenges. **The Road Way**, 1989 **Routes Du Monde**, 2001 **Automotive Engineering**, 1986
