

The hype surrounding this
been unquestionable and
that made me both eager to get
on it and terrified to read it. I was
if I was to be the one person that didn't
love it as much as others! (That seems so
very silly now because of how truly
mesmerizing the girls were in the most
heartbreakingly realistic way.) However,
I knew this one was a must-read, so I was
ready to let my fears aside and dive in. I'm
so glad I did. This book deserves all the
attention coming its way.
