[Google Business Profile Training Guide](#) Laura Maya, 2023-04-24. Google Business Profile is a powerful tool that can transform how you drive customers to your local brick and mortar business and further develop trust with new and existing customers. Although Google Business Profile has been around for a long time, it has grown in its importance as more users use search engines to find information about a local business, even more so during the COVID 19 pandemic. The fact that the word "searching" is now interchangeable with the word "Googling" Google is the leading search engine with around 5.4 billion daily searches and a 92% market share. That means it's extremely likely that the target market is on Google, possibly looking for the company's products and services. In fact, nearly half of all Google searches (46%) include local intent with phrases such as "near me" or "a city" or "neighborhood" after the search term. The statistics surrounding Google Business Profiles are impressive: Over 90% of people read Google Business Profile reviews before contacting a local business and over half of profiles receive over 1,000 views per month. Nearly half of businesses receive appointment requests through their Google Business Profile and the profile can be attributed to 91% of weekday calls to local businesses. With 87% of users performing

daily Google searches for local businesses it's clear that having a Google Business Profile is crucial. Reviews are important too as 65% of users will leave a review if they have a positive experience. Near Me Google Maps searches have increased 900% in the past 24 months and Google Business Profile views and metrics contribute to 75% of a local business's monthly exposure online.
