## **Yoga For Beginners Today Open Now:**

*Motivational Yoga* Nancy Gerstein, 2019-08-07 The benefits of yoga are valuable to people of all ages and all fitness levels. Yoga teachers have a responsibility to keep classes fresh and challenging to help students discover their unlimited potential available. Serious yoga students have a personal responsibility to learn the principles of yoga in order to lead a more fulfilling meaningful life. *Motivational Yoga* simplifies that task with 100 easy to follow lesson plans that vary in length. The lessons progress from basic yoga asana and pranayama lessons for beginning students to more advanced material such as mindfulness and meditation. Fully customizable to meet individual student needs, these ready to use lessons will save you valuable preparation time. Choose from beginning lessons focusing on body and breath awareness, basic postures and breathing, or select more advanced instruction on the yamas and niyamas, guided relaxation, the heart center, the chakras, emotions and mindfulness. You'll also find lessons for kids, older adults, athletes and pregnant women to ensure you are equipped to serve all populations. Most of the lesson plans offer a written script for use in class or as a guide for student home practice purposes. For beginning teachers, these scripts provide a helpful structure and set the stage for mindful yoga instruction. Veteran teachers may use these lessons and scripts as a creative departure point for expanding on one of the eight limbs of raja yoga or designing a tailored focus for the day's practice. *Motivational Yoga* is a starting point for bringing yoga's abundant teachings into the daily lives of teachers and students alike. For ease of planning and organization, each lesson follows a five part outline. The intention provides the focus for the day's yoga class. The lesson script embodies the essence of the day's teaching. The Asanas for Deepening section illustrates the lesson through body stretch movement and sensation. The Motivation Off the Mat section presents suggestions, homework assignments and reminders for practicing the yoga teachings outside of the classroom. Teacher Tips and Wise Words offer advice for fine tuning sequences and proverbs that convey a specific thought or feeling for the lesson. In addition, five full length workshop lesson plans help you expand your teaching beyond a traditional class to offer focused workshops to your students on these popular topics: Spring Cleaning, Yoga Detox, The Joy of Backbends, Yoga for Absolute Beginners, Introduction to Meditation and Transformational Breath. With each lesson, *Motivational Yoga* demonstrates how the strength, balance and stretching of the physical practice can inspire a healthy, complete and joyous existence on and off the mat.
