Expand Your Reach Utilize campaign automation to broaden your audience and as a result boost your revenue. Unlock the Power of AI. Learn how the emergence of artificial intelligence can revolutionize your business positioning it for remarkable growth **NFTs, Creativity and the Law** Enrico Bonadio, Caterina Sganga, 2024-06-14 Non Fungible Tokens NFTs have emerged as an important medium for the creation, sale and collection of art with many major business and fashion houses creating their own NFT projects. This book investigates the eruption of NFT crypto art and its impact on copyright law. Chapters address topics at the intersection between AI smart contracts, data science, copyright law and arts administration. With snapshots of the ongoing heated debates around copyright law, the book investigates whether NFTs violate copyright and moral rights, the liability of NFTs platforms impacts on ethical issues such as counterfeiting. The first book published on this emergent topic, this book offers a comprehensive overview of opportunities and challenges raised by NFTs to copyright law and more generally to the regulation and economics of the creative and cultural industries. The book is addressed to law and tech enthusiasts as well as academics, students, practitioners and policy makers interested in the intersection between copyright rules and new forms of technology **The Communicator's Guide to Media Law and Ethics** Mark Pearson, 2023-11-23 This book offers an introduction to the key legal and ethical topics confronting Australian journalists and strategic communicators both at home and internationally and offers a suite of reflective techniques for navigating them. It starts by positioning morals, ethics and the law in their historical and philosophical frameworks by tracing the evolution of free expression and professional media ethics. Media law and ethics are then contextualized in their modern international human rights framework. Readers are equipped with a skill set for reflecting on the law and ethics of professional media dilemmas including mindful reflection, the Potter Box journaling concept, mapping and discussion. Such approaches are then applied to key topic areas including free expression, reputation, confidentiality, privacy, justice, intellectual property, national security, discrimination and harassment and conflicted interests. Each is examined in terms of its philosophical underpinnings, relationship to human rights, professional ethical context, international examples, legal principles, key Australian laws, legal cases and strategies for applying reflective practice techniques. It concludes on a confident note imploring communicators to engage in constructive and mindful strategic communication with the authority and confidence that results from a working knowledge of media law and ethics. This handbook is for professional communicators and students in all fields but
