algorithm change and you have to adjust your business strategy to it You don't have time for 500 page books and 12 week courses That's why I made sure you don't find any boring stories or unnecessary facts in here just raw straight to the point techniques that WORK in 2019 You will get a clear step by step plan for turning your Instagram page into your business most powerful asset that you can start implementing the same day YOUR BUSINESS WILL NEVER BE THE SAME If you genuinely believe that strong Instagram presence is what your business has been missing And you are willing to take massive action as soon as you read the book Then this is the best book for you the money can buy As soon as you start implementing the tactics described you will realize that investing in this guide was the best business decision you've made in a while Instagram Secrets Alexander Vinci, 2021-09-04 Do you want to know how Instagram really works and what mindset you must have to succeed in this platform If you just starting reading through this guide and are thinking that your business isn't an eCommerce business and so Instagram isn't the place for you think again Remember the key proposition that Instagram brings is visualization Consider these examples 1 You're a real estate agent and want to highlight the newest mountain home that you have on the market 2 You are a world class hospital that just released a new mother's ward with beautiful birthing and stay suites with a spa like feel 3 You're a restaurant owner and want to highlight your savory and mouthwatering specials each week The above examples are all situations where nothing is actually being transacted online but the business is building brand awareness and drumming up interest so that the consumer will visit their website or pick up the phone to learn more The mysterious Instagram algorithm While we'll never know exactly how Instagram has weighted the various data points that they put into their algorithm we do know that Instagram's back end technology now focuses on relevancy serving up the posts that are most likely to relate to certain users based on their activity on the site So every time a user clicks through a post or spends a certain amount of time looking at a certain influencer Instagram is capturing that data in some way and building it into their engine to ensure that posts that users won't care about are less likely to show up in their feed We do know however that Instagram is looking at the following Timely content This is all about recency meaning if a user hasn't logged in for a while they won't have to scroll through outdated and no longer relevant posts They'll be shown timely content that matters to them Interest This is really the secret sauce as Instagram is paying attention and will serve content that it believes the user will be interested in Relationships Instagram knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to

enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company s registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book [Instagram Marketing: Step-By Step Instagram Secrets to Connect, Engage, Grow, Influence, and Sell](#) Victor Marco,2019-02-15 Quickstart guide for Mastering the Art of Marketing on InstagramInstagram marketing is a great way to start or grow your business or personal blog with little risk or investment but only if you know how to do it right Need to learn how to market yourself on Instagram the right way With this guide you will be armed with the fundamental knowledge you need to succeed on Instagram Grow your audience engage with them and sell them on your product your business your message or yourself You ll also learn how to avoid making mistakes that could waste your valuable time and prevent your website blog or business from achieving its maximum potential Here is a preview of what you will learn in this guide What Is Instagram Marketing 10 Reasons To Use Instagram For Your Business The Anatomy of a Perfect Profile CREATING a Profile That Generates Sales Keep Your Profile Public Use a Recognizable Handle and Business Name Use a Similar Profile Picture That You Use On Other Social Networks Write A Killer Bio Add A Clickable Link In Your Bio Make Sure Notifications Are Enabled Use High Quality Photos Consistency Matters Instagram Marketing Best Practices Set Specific Goals Understand Your Audience Tell A Story Share An Experience Be Aware of Fonts and Color Palettes Make The Most Of Post Captions Stay Relevant Continue Finding Ways To Improve Crafting Instagram Perfect Images Choose A Theme and Stick With It Prepare Your Images Well Let Your Photos Tell A Story Image Composition What Camera Should You Use Starting With Your Smartphone When It s Time To Upgrade How To Get Maximum Engagement On Your Posts Optimize Instagram Story Posts Maximize Your Captions Make Use Of Instagram Stories Stickers Schedule Your Stories Share More About Your Brand Have A Strong Hashtag Strategy Spice Up Your Posts Pay Attention To DMs and Comments Partner With An Influencer The Importance of Influencers Establish Your Reason For Your Need Of An Influencer Decide Between A Macro and a Micro Influencer Consider Genuine Engagement Seek To Establish A Meaningful Working Relationship How To Search For An Influencer Look From Your Own Following Consider Specialized Third Party Tools Connect With Influencers In Offline Events Are Hashtags Important How Do They Work Types of Hashtags Always Have A Solid Call To Action Use Promo Codes Initiate A Contest Take Advantage of User Generated Content Reach Out To Customers and Followers Individually Automation Make Sure Your Personal Touch Is Present Be Aware Of Hashtags Your Audience Considers The Most Valuable Schedule And Optimize Posts For Maximum Engagement Curate High Quality Content From Your Community Use Instagram
