Morgan,2013-07-09 LIKE THE FEMALE SCIENTISTS PORTRAYED IN HIDDEN FIGURES MARY SHERMAN MORGAN WAS ANOTHER UNSUNG HEROINE OF THE SPACE AGE NOW HER STORY IS FINALLY TOLD This is the extraordinary true story of America s first female rocket scientist Told by her son it describes Mary Sherman Morgan s crucial contribution to launching America s first satellite and the author s labyrinthine journey to uncover his mother s lost legacy one buried deep under a lifetime of secrets political technological and personal In 1938 a young German rocket enthusiast named Wernher von Braun had dreams of building a rocket that could fly him to the moon In Ray North Dakota a young farm girl named Mary Sherman was attending high school In an age when girls rarely dreamed

of a career in science Mary wanted to be a chemist A decade later the dreams of these two disparate individuals would coalesce in ways neither could have imagined World War II and the Cold War space race with the Russians changed the fates of both von Braun and Mary Sherman Morgan When von Braun and other top engineers could not find a solution to the repeated failures that plagued the nascent US rocket program North American Aviation where Sherman Morgan then worked was given the challenge Recognizing her talent for chemistry company management turned the assignment over to young Mary In the end America succeeded in launching rockets into space but only because of the joint efforts of the brilliant farm girl from North Dakota and the famous German scientist While von Braun went on to become a high profile figure in NASA s manned space flight Mary Sherman Morgan and her contributions fell into obscurity until now **Left to Their Own**

**Devices** Julie M. Albright,2019 Digital natives are hacking the American Dream Young people brought up with the Internet smartphones and social media are quickly rendering old habits and norms a distant memory creating the greatest generation gap in history In this eye opening book digital sociologist Julie M Albright looks at our device obsessed society and the many ways in which the post World War II American Dream is waning for the Millennial generation Albright notes that in the former age of traditional media dominated by three major TV networks and the national print media values were more harmonized and time synchronized Today with a deluge of information available 24 7 we are experiencing a sort of digital tribalism with people coalescing inside of increasingly fragmented informational echo chambers Digital media allows bad actors to enlarge the rifts between these siloed tribes in divide and conquer fashion frothing up fears by propagating fake news and fake people online What are other effects of hyper connectivity coupled with disconnection from stabilizing social structures Albright sees both positives and negatives On the one hand mobile connectivity has given digital nomads the unprecedented opportunity to work or live anywhere On the other hand new threats are emerging including cyberbullying and the ability to radicalize marginalized youth decreased physical exercise increased isolation anxiety and loneliness ephemeral relationships fragmented attention spans lack of participation in community activities and the political process and detachment from the calm of nature or the refuge of religion In this time of rapid global technologically driven change this book offers fresh insights into the effects of always on devices on the family community business and society at large
