UNDERSTANDING MORTGAGE AND RENTING COSTS

The screenshot shows a digital reading comprehension worksheet. The title is 'Understanding Mortgage and Renting Costs'. Below the title is a section titled 'Read the text and answer the questions.' with a sub-section 'What is a Mortgage?'. The text explains that a mortgage is a loan used to buy a home, and the lender owns a portion of the home until the loan is paid off. It also mentions that the monthly payments include both the principal and interest. The text then asks 'What is Rent?'. It defines rent as the amount paid for the right to live in a property, and it compares it to a mortgage by stating that it is a monthly payment for the right to live in a property. The text also notes that rent is usually paid in advance. The final section is 'What is a Homeowner's Association?'. It explains that it is a group of people who own homes in a specific area and have rules for how they live. It also mentions that it is a way for neighbors to help each other. The text ends with a question: 'What is a Homeowner's Association?'. The sidebar on the left lists 'Subject' and 'Grade' as 'Economics' and '4th Grade' respectively.
