## A Social Media Survival Guide

Melody Karle, 2020-02-27

The every person's guide to social media how to use it and what never to do Are you trying to figure out how to safely use social media but finding yourself struggling Here's a book specifically designed to help regular people figure out social media platforms It begins with a chapter about social media basics how they normally work why people use them and general safety tips It is easy to get confused by the large number of options that are out there so this book breaks down each major network into its own chapter Chapters are included for Facebook Snapchat Pinterest LinkedIn Instagram YouTube Twitter Reddit and Tumblr Because each social media platform has its own rules benefits and challenges each chapter gives a summary of the platform and tells the reader why people use it Next each chapter has a glossary of terms to explain language and slang that are used This will help people who are new to social media learn about terminology like subreddits retweets and more If readers decide to use the platform or already use it and want to learn more each chapter guides users through a how to of using each platform This includes the basic functionality setting up profiles settings and odd features that even current users may not know about Privacy and safety are also covered with a platform specific section devoted to these important issues in each chapter Two final chapters cover other notable social media platforms that readers might want to know about and archiving tips for saving social media posts and information This book can help people new to social media people joining new social media and people who are already on but want to learn how to better manage and protect their accounts
