**Arrow's Wind** Gina Manis, 2020-11-12 An emotional journey to overcome tragic events and following your heart Jenna The king's new law says I must marry two men by my twenty first birthday but I am not sticking around for that I am leaving Star Kingdom and my family behind heading for the mountains to live a life in solitude for a change No more dodging the brushes of men in the crowded streets of busy city life That is what I want until Arrow shows up and follows me He knows what I've been through and unlike others he has always kept his distance The more I am with Arrow the safer I feel but the nightmares from my past never go away They continuously feed my fears of getting close to a man Arrow I never intended to stay in Star Kingdom as long as I did That is until one night my friend welcomes me into his home and I meet Jenna Instantly my soul takes to her but Jenna will have nothing to do with me When I find out why I vow nothing like that will happen again The new law pushes Jenna to leave My home village is where she seeks to start over and it is time for me to return as well Along the way I hope I can show her how to let go of her fears That I will stand by her protect her and if she can let me in love her Bran I grew up deaf but when I came into my powers of wind and fire they merged to form my gifts The cries of the broken haunted me until I learned I could help them With just a whisper of my new voice they are enchanted and flock to my healing abilities Jenna is no different at first but the more time I spend with her in our dreams I can't help but fall in love with her The problem is as she heals I fade away She will forget me and I wonder who will heal me once I no longer can enter her dreams Warning This book deals with the serious brutality of rape and the challenges a woman can face after an attack There is a brief reflection of the act that is shown in a dream state It may trigger unwanted reactions from people who have suffered vicious acts of violence I wrote this book from the perspective of overcoming emotional fears self doubt and having the support of loved ones to help see you through **No**

confidently What was there to figure out He would return me to my home Father would order Thomrick to beat me and I would spend the rest of my days trying to keep Halvor from raping me Which would bring more beatings until if I ever got lucky I died See She belongs to us Now give her over she has amends to make Halvor raked his eyes my way and I felt sick again I slid back behind the stranger She belongs to me If she must return to her home then it is with me I would know why you have treated her so The rumble in the warrior s voice sounded deadly
