SINGING IN THE REIGN

THE PSALMS AND THE
LITURGY OF GOD'S KINGDOM

Michael Barber
Introduction by Scott Hahn

Singing In The Reign

**John Harrison Tenney, Artemas Nixon
Johnson**

Singing In The Reign:

Singing in the Reign Michael Patrick Barber, 2001 Christians know the Psalms sing the Psalms and pray the Psalms more than any other book of the Bible Yet even as believers have grown more devoted to individual psalms they have lost the big picture the single sense that unites all the psalms as one coherent book Michael Barber is at the forefront of an emerging movement in biblical theology With this book he is recovering the narrative plot that was the common heritage of Jews and Christians in the ancient world Barber shows how King David serves as an example for the chosen people as they struggled in exile As David was rescued by the Lord so would Israel be restored as a kingdom for all ages This is the story of Christ as well whom Barber reveals as the new David And in Christ it is the story of every Christian The Psalms bring us in our reading and in our prayer from suffering and pleading to glory triumph and praise Barber s analysis follows upon an extensive introduction by Scott Hahn Ph D detailing the historical cultural and theological background of the Psalter

Year Corey Sobel challenges tenacious stereotypes in this compelling debut novel shedding new light on the hypermasculine world of American football. The Redshirt introduces Miles Furling, a young man who is convinced he was placed on earth to play football. Deep in the closet, he sees the sport as a means of gaining a permanent foothold in a culture that would otherwise reject him. Still, Miles's body lags behind his ambitions, and recruiters tell him he is not big enough to compete at the top level. His dreams come true when a letter arrives from King College. The elite southern school boasts one of the best educations in America and one of the worst Division One football programs. King football is filled with obscure, ignored players like Miles, which is why he and the sports world in general are shocked when the country's top recruit, Reshawn McCoy, also chooses to attend the college. As brilliant a student as he is a player, the intensely private Reshawn refuses to explain why he chose King over other programs. Miles is as baffled as everyone else and less than thrilled when he winds up rooming with the taciturn Reshawn. Initially at odds with each other, the pair become confidants as they win at all costs. The program makes brutal demands on their time and bodies. When their true selves and the identities that have been imposed on them by the game collide, both young men are forced to make life-changing choices.
