business trip two years later is the same smug person she'd humiliated herself in front of. If only his broad shoulders and wickedly sexy smile didn't send her senses into flames. But when disaster strikes they're forced to depend on each other and one sultry night of passion will change their lives forever. *Secret Love* Celebrity actress Diamond Swain needs a peaceful place to hide out from the news hungry paparazzi a place like Whispering Pines. And yet from the moment she arrives at the remote Texas ranch Diamond finds herself at odds with its rugged owner Jake Madaris a man who challenges her to care about more than making it to the top. True Love Corporate executive Shayla Kirkland has landed her dream job with one of Chicago's top new firms Chenault Electronics. Now she's in a perfect position to destroy the company for unjustly ruining her mother's career. But she never expected that handsome CEO Nicholas Chenault would spark a passion that challenges her resolve and makes her surrender to the most irresistible desire. Titles originally published in 1999 2000 and 2000 *Aunt Alice's Goodies* Alice Stevens, 2008-10 One day I started to crave peanut butter cookies the way my mother made them. Then weeks later I had a dream about the hard fudge we used to make back in the 1950s when I was growing up on the South Side of Chicago. And whatever happened to mayonnaise cake. My psyche was trying to tell me something. And this book is the result. What my psyche has called me to do is gather my goodies into this cookbook to pass on the recipes that my family members have used for their celebrations through many decades of the 20th century. I reviewed my dog-eared batter splattered recipe cards with all the chicken scratched handwriting and decided it was time to commit these treasures to digital format. I want the next generation to delight their children and their children's children with these old comfort sweets including home made hard fudge mayonnaise cake pecan tarts and prize winning blueberry pie. This is a part of my culture that I don't want to lose in the frenzy for thin. So here they are my humble offerings. Indulge, delight and good night.

But is what he shares with her strong enough to overcome the media's prying eyes. Together Jake and Diamond must discover what's truly important if they're to claim a love that lasts a lifetime.
