## Study Guide Deacons

**Keith Bailey**

## **Study Guide Deacons:**

**Deacon Training** Kate Ward-Turner,2008-05 Indifference toward deacon development places the church in a precarious state By and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office When pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as one of service rather than honor The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor

Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons

### **Paul's Vision for the Deacons: Study Guide**

Alexander Strauch,2017-12 With questions and assignments written by Alexander Strauch this Study Guide is designed as a companion to the text Paul's Vision for the Deacons Assisting the Elders with the Care of God's Church Together these resources make excellent training material for deacons and the elders who lead them

### **The New Testament Deacon**

Alexander Strauch,1992 The author's goal is to help Christians understand the necessity for and vital importance of New Testament deacons to the local church so that the needy poor and suffering of our churches are cared for in a thoroughly Christian manner

### **Servants in Charge**

Keith M. Bailey,2007-04-01 Servants in Charge is a training guide for elders and deacons with a study guide included Servants in Charge define the roles of elders and deacons and offers practical suggestions for selecting these important leaders And for servants who find themselves in charge there are guidelines toward effective and fruitful ministry Have you ever been in an office or a place of business when someone walked in and asked Who's in charge here Can it be that the people who enter your church ask the same question but it is important to realize the answer is not a mystery In a beautiful parable about His second coming Jesus made it clear that His servants are in charge These people are known not so much for their position or power but for their attitude of true servant hood In Servants in Charge we find that Dr Bailey deals with the topics of who a deacon and elder are to be to what their qualifications are from a scriptural basis He also goes on to explain their biblically based ministries and their spiritual gifts as laid out in the New Testament He completes this short study with a guide for preparation for them and their election and consecration A great must have for the church today

**Deacon's Quick Reference Guide** Wille L. Glasper, Sr.,2001-08-01 [Paul's Vision for the Deacons](#) Alexander

Strauch,2017-11-15 Among evangelical Christians there are widely diverse views on the roles of deacons What does Scripture actually teach about deacons and their role in the church Views range from deacons being the board of directors to the church building maintenance crew In writing this completely new book Strauch states that his purpose is to encourage my deacon friends and fellow church leaders to think more critically about what they are saying what they are doing and what the Scripture actually teaches about deacons Whatever your view of deacons may be this study will help you examine in detail the biblical facts on deacons allowing those facts to guide your thinking This book offers the opportunity to build broader agreement among our Bible believing churches as to what deacons do This is not simply a revision of Strauch's popular book The New Testament Deacon Minister of Mercy It is a completely new study with a fresh perspective

### **The Deacon**

**Manual** M. Randy Morris, Sr.,2013-10-11 **EVERY SPIRITUAL LEADER SHOULD READ THIS BOOK** Everyone that is called to be a leader in God's Kingdom should expose himself or herself to fresh revelation concerning service This book gives the new deacon the seasoned deacon as well as general leaders a glimpse of how to keep all things decent and in order in the Church The relationship between the pastor and leader should never be compromised Each should know how to function in their proper place of leadership Too long the Church has been plagued with implacable leaders who have embraced a spirit of rebellion thus hindering the will and purpose of God Spiritual correction is mostly viewed as a tool of confusion and offence but quite the contrary it is the spiritual vice that is needed to impel increase This book has been written to help bring Divine order in God's Kingdom
