ORIENTATION is an assessment of your ability to use the readings of three aircraft instruments, which will appear in the upper box, to identify the aircraft symbol to which the instrument readings relate.

Four aircraft symbols will appear in the lower box slanted in various positions around the purple central cross.

Before starting the test each instrument and the aircraft symbol will be described and illustrated.

You will score one point for each correct answer. Incorrect answers are not penalised. The assessment will last for 10 minutes. You should try to identify correctly as many aircraft symbols as possible in the time allowed.

During the assessment the instruments and aircraft symbols are static.
