This manual covers the topics that a factory service manual designed for factory trained mechanics and a manufacturer owner's manual designed more by lawyers than boat owners these days covers. It will take you through the basics of maintaining and repairing your motor step by step to help you understand what the factory trained mechanics already know by heart.

SELOC Marine maintenance and repair manuals offer the most comprehensive authoritative information available for outboard inboard stern drive and diesel engines as well as personal watercraft. SELOC has been the leading source of how to information for the marine industry since 1974. Designed and written to serve the needs of the professional mechanic, do it yourself boat enthusiast, instructor and student, these manuals are based on actual teardowns done by Chilton MarineAEs editors, authors in our on site facility. Providing complete coverage on everything from basic maintenance to engine overhaul, every manual features simple to follow step by step illustrated procedures, hundreds of exploded drawings, photographs and tables, troubleshooting sections, accurate specifications and wiring diagrams. Recognized and used by technical trade schools as well as the U.S. military. Covers all Single, SP, SX, Duo Prop, DP, DPX models powered by Ford and GM 4 cylinder, V6 and V8 engines. Includes carbureted and fuel injected engines.
