Godfrey To Continue During Interim

Volunteer Ambulance Service Probed By Commissioners

Ambulance service for Shackelford County was the main topic of discussion during the regular monthly meeting of the Shackelford County Commissioners held Monday, October 10 at the Courthouse, Linton Judge Jo Ann Fischer presided.

The court discussed at some length the possibility of forming a volunteer service and purchasing a second hand ambulance. Plans were made to contact the City of Albany and the Shackelford County Hospital District for cooperation with the program.

A motion was made by Commissioner Connally to pursue the further possibilities of providing the service in conjunction with the City and hospital. The motion also included a provision for establishing Godfrey Funeral Home, Inc. \$200 per month to continue emergency service until the volunteer service is in effect. The motion passed unanimously.

Joan Chapman and Shirley Alexander, spokesman for a group of volunteers, appeared before the court to report that

there are eight trained emergency workers willing to take the responsibility of the service. Others are being contacted to volunteer to be trained.

The volunteers agreed to get together and work out a program to present to various civil groups on the importance of community participation in the project.

In other action the commissioners paid the usual monthly bills and discussed plans for improvement of the Shackelford County jail.

Judge Fischer is planning to appear before the Hospital District Board of Directors during their regular monthly meeting Monday, October 17 to present the ambulance program.

Carnival Set For Oct. 29, PTO Plans New Booths

Plans and preparations are underway for the annual PTO Halloween Carnival. Prizes will be purchased this week.

New booths being planned for younger children (kindergarten through third grade), and senior (fourth, fifth and sixth) and old of below booths. Along with these new booths will be a "Giant Book" will again be served in the lunchroom," said a PTO spokesman. "Plan to get supper with us at the carnival."

School students will soon be selling raffle tickets for chances on several different prizes. Included will be an 8-track tape player sponsored by the sixth grade, a turkey sponsored by the third grade and a gigasette stuffed bear, offered by the PTO.

The Carnival is scheduled for Saturday, October 29, at the Navy South Elementary School grounds from 5:00 to 8:00 p.m.

PTO members urge everyone to make plans to attend and bring the whole family.

Doctor Reinstated By Hospital Board

Action was taken during a special meeting of the Shackelford County Hospital District Board of Directors on October 10 to reinstate Dr. T. M. Howie as a staff physician for the hospital.

Howie had resigned during the regular September meeting of the board held September 19.

Acting on a written request by Howie dated October 7, 1977 to be allowed to admit patients again, Board Chairman Marvin Miller called the meeting for Monday, October 10. A 10-hour waiting period is

required by Texas upon meeting laws before action can be taken.

Several citizens attended the meeting in order to express their concern of Howie's privileges to admit patients to the hospital.

The motion to restore Howie's privileges as a staff doctor was made by Chairman Marvin Miller and seconded by Betty Moore. The motion passed unanimously.

Motion to adjourn was made by Dennis Loebe and seconded by Warren Coble. Motion carried.

Defensive Driving Course Scheduled For Saturday

A Defensive Driving Course will be offered in Albany October 15 at the Rockwell Community Center (Depot) beginning at 8:00 a.m.

The course, sponsored by the Albany Chapter of Consumers in cooperation with the Big Country Safety Council and the Albany Chapter of Consumers, is designed to teach drivers how to protect themselves behind the wheel. In addition, after participating in the eight-hour clinic, drivers can claim a two per cent reduction on car insurance for a three-year period.

The discount applies to bodily injury, property damage, medical payments and collision coverage issued by insurance companies operating in Texas.

"The response hasn't been as good as we had hoped," said Betty Lutz, Chapter manager. "Most people feel the course will be boring, but they become interested because they get to participate."

"Also, some people don't want to stay in a class or listen to an instructor for eight hours," she added. "But this isn't an ordinary classroom type situation and I really believe most people will enjoy it."

The Texas Safety Council says defensive driving teaches how to react to the unexpected—in weather, traffic conditions and the mistakes of other drivers.

The course is divided into sections such as how to avoid head-on collisions, intersection accidents, passing mistakes and

near-end wrecks. Each section includes a movie.

To register for the course, contact Betty Lutz at the Chamber office or simply "show up" at the Depot October 15 at 8:00 a.m.

Board Approves Carpet Bid

In a special called meeting of the Albany Independent School District on September 28, the Board of Trustees voted to install carpet in the designated areas of the high school building. The motion by Gerald Petree, seconded by Glenn Key, was to award the carpeting contract to Thomas Furkerson. Cost is to be \$9,000 per square yard, installed, the board in McKinney.

Motioners present were Loren Williams, president; Betty Lutz, Gerald Petree, Don Reisher, Glenn Key, R. P. Mitchell and Harry Holder, superintendent.

The regular board meeting on October 10 disposed of some business after a study of bids presented.

Attending were Loren Williams, Betty Lutz, Gerald Petree, Harry Holder, Don Reisher, Glenn Key, R. P. Mitchell and Danny Wadsworth.

Wednesday October 12 1977 Introduction

In today's digital age, the availability of Wednesday October 12 1977 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Wednesday October 12 1977 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Wednesday October 12 1977 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Wednesday October 12 1977 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Wednesday October 12 1977 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Wednesday October 12 1977 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Wednesday October 12 1977 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Wednesday October 12 1977 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Wednesday October 12 1977 books and manuals for download and embark on your journey of knowledge?
