WEEKLY EDITION

September 15, 2023

Morning

I've been thinking a lot about how designers want to scale their businesses, but often they're doing things that make it impossible for them to do so. This applies to all business types, and when I say "scale" your business, I mean either leverage your time so one hour = XX hours, leverage your expertise so you can help more people without more time on your end, or invest the time once and have something work for you forever.

Notice I don't say anything about scaling = more money.
