Welcome to room 1011. My name is Ms. Griffin and I can't begin to tell you how excited I am to have you in my class this year. This year will be packed full of learning adventures that I hope will be both exciting and challenging. Our class motto is "Never settle for anything less than your best". I expect each and every one of you to try new things, ask for help, and never give up. These will be the key ingredients to your success in this class.

This year we will be finding adventure in class novels, becoming scientists in investigating hidden worlds, discovering our nation's elaborate history, and using manipulatives to master math skills. This is my first year as a classroom teacher so there will be a lot of learning going on in this classroom for all of us! I graduated from Kansas State College one year ago where I received a degree in both Elementary Education and Psychology. I played soccer throughout my four years of college and I still love to watch the game and will be coaching the Mountain View Middle School girls soccer team this year!

In my free time I enjoy any activity that allows me to be outside. I love to hike up in Ptarmigan North, camp along the rivers up North, and ride my bike 50 miles out to the beach. I also enjoy doing arts and crafts, reading, and spending time with friends and family.

I would like to know more about each of you! Please write a letter back to me telling me things that you are excited about for this year, what your favorite after-school activities are, your favorite clubs or sports, etc. I would also like to know what you think you will need from me to either be or be successful in fifth grade this year.
