**PRACTICAL MONEY ADVICE FOR YOUNG MEN 2.0** Malik McCotter-Jordan, 2021-12-25 I am not suggesting that you fire your boss i.e. quit your job. In fact I advise you to keep your job. In this book I have a job that's called having more than one stream of income and I talk about that in this book. This is definitely not a BS Tony Robbins personal finance book with over 680 pages about compound interest him shamelessly promoting financial firms that he has an ownership stake in and saving 10% to 20% of your income. This is a raw and real book written by a guy who is only a few steps ahead of you. That's it. I am not a guru. This is not a scam. I put my heart and soul into making this. I wrote this book as if it was for the 18-year-old me. Anyone who leaves a review saying that this book lacks realistic actionable advice is just plain wrong. I even did what most of these personal finance authors don't have the guts to do. I talk about my personal life and the mistakes I made that cost me thousands of dollars. That's why this genre is called personal finance. Right. I get really personal. Some might say it's too personal. If you're a young man who is tired of being broke living paycheck to paycheck not owning any assets being clueless about taxes and not being able to get ahead in the United States then this is the book for you. I started off as a poor black boy in a small town in Alabama on section 8. I currently have a 6-figure net worth. If I can do it you can too. Buy this book today.

**From Beauty to Business** Kiyah Wright, 2022-05-24 You know you have the talent to make it in the beauty industry but figuring out where to begin can feel like a mystery and cosmetology schools often don't prepare students for the business end of these jobs which can make or break your career. Consider this book your crash course on how current and aspiring beauty professionals can profit from their passions to create wealth beyond their wildest dreams. Entrepreneur and celebrity hairstylist Kiyah Wright knows exactly what it takes to amass wealth in the hair and beauty industry. From the time she was just 14 years old and doing hair in her grandmother's basement for 20¢ a pop Kiyah had found her calling. By 17 she had 200 clients and netted over 60K a year. Now 25 years later she's at the top of her game with A-List Hollywood clientele two Emmy Awards two Hollywood Beauty Awards a thriving business and a million-dollar brand. In *From Beauty to Business* Wright breaks down her seven proven success principles that helped her achieve her goals: Developing a success mindset, Understanding the business of the beauty business, Finding your niche, Diversifying with multiple streams of income, Growing your platform to grow your profits, Preparing for the unexpected, Planning for your future. She also lays out crucial success strategies not taught in hair or beauty schools about entrepreneurship, finance, branding, marketing, product distribution, how to harness the power of social media and how to build wealth. Whether you're working from your house or a salon *From Beauty to Business* will set you up for success with practical tools for thriving in the beauty business on your own terms. This first of its kind sourcebook features Kiyah's favorite success affirmations, industry-themed business templates, worksheets and the foolproof strategies Kiyah used to attract and retain superstar clients like Tyra Banks, Jennifer Hudson, Ciara, Iman, Taraji P. Henson and Gabrielle Union. Whether you're looking for tips in your career as a hairstylist, makeup artist, esthetician or

**Chronicles of Care: A Design History of the COVID-19 Virus** Paul A. Rodgers, Fernando Galdon, Craig Bremner, 2024-04-16 The Covid 19 crisis and the designed interventions that the authors have catalogued in this book prove definitively that design does care The authors documented this as it evolved every day from the 1st January 2020 to 31st May 2020 inclusive Then they looked at all of this care and caring from the point of view of design and by the sheer volume of design interventions they have documented illustrate that design is good in a crisis What the Covid 19 pandemic illustrated is that for the first time in modern history capital was totally irrelevant Money could not save your life Only design could Rapidly designed masks shelters hospitals instructional posters infographics dashboards respirators sanitisers virtual and local communities emerged to save us From January 2020 design became king The Covid 19 global pandemic presented an ontological reality design is more than margins or profit In fact design became extremely valuable when it stopped concentrating on those things and started to care about peoples lives This brief episode in history is still repositioning the status of design and reconfiguring its signifier from consumption to care The contents of this book cover the outbreak lockdown and the beginning of the reopening in the UK In between the book functions as a history of pandemic crisis design interventions As such it is a research in the moment project where we have illustrated our thoughts and insights in tables charts and diagrams We have accepted all design interventions as valid and given them the same role and status by presenting each of them in a standard format No curation No selection No position The task of critical analysis must follow perhaps by us certainly by others
