ECCWS 2020 19th European Conference on Cyber Warfare and Security Dr Thaddeus Eze, Dr Lee Speakman, Dr Cyril Onwubiko, 2020-06-25 These proceedings represent the work of contributors to the 19th European Conference on Cyber Warfare and Security ECCWS 2020 supported by University of Chester UK on 25-26 June 2020. The Conference Co-chairs are Dr Thaddeus Eze and Dr Lee Speakman both from University of Chester and the Programme Chair is Dr Cyril Onwubiko from IEEE and Director Cyber Security Intelligence at Research Series Limited. ECCWS is a well-established event on the academic research calendar and now in its 19th year the key aim remains the opportunity for participants to share ideas and meet. The conference was due to be held at University of Chester UK but due to the global Covid-19 pandemic it was moved online to be held as a virtual event. The scope of papers will ensure an interesting conference. The subjects covered illustrate the wide range of topics that fall into this important and ever-growing area of research. Hoosier Heaven David McCaslin, 2015-09-22 As the Garden of Eden cooled from creation God's first decree to Adam was to partake only from the Tree of Life not the Tree of Knowledge of Good and Evil. Unmeasured Knowledge is not experientially assimilated. Life truth Live in heavenly awareness or lost to confused ignorance. God so forewarned. Digital and Social Media Marketing Aleksej Heinze, Gordon Fletcher, Ana Cruz, 2020-04-28 The second edition of Digital and Social Media Marketing is an up-to-date industry-led results-driven guide to digital marketing. Mixing academic theory with practical examples from a range of different organisations worldwide it provides insight into and techniques to enable the creation, development and maintenance of a successful digital presence. This highly regarded textbook has been fully revised to bring the content up to date with the newest digital technologies. With topics including developing an effective digital presence, search engine optimization and measuring brand awareness the new edition also looks at digital ethics, General Data Protection Regulation and privacy, artificial intelligence and machine learning and voice strategies. New international case studies are explored including Alibaba and Amazon as well as revised practical exercises in each chapter enabling students to see how the concepts underpinning digital and social media marketing support business success. The book's customisable Digital Business Maturity Model and the Buyer Persona Spring offer organisations a clear road map for understanding their own levels of technology adoption and digital strategy development. This accessible textbook provides a hands-on user-friendly platform to turn skills and knowledge into strategic advantage. It is ideal for advanced undergraduate and postgraduate students of digital marketing and marketing strategy and for practitioners aiming to be at the cutting edge of digital and social media marketing. Alongside electronic resources for each chapter this new edition also includes digital learning materials, case studies and exercises available in a supporting online learning environment. The online materials further enhance learners' experience and support a worldwide learning community. *The*
