15_12 Sandy Heals, 2025-08-15 15 is moody and argumentative He takes significantly more than he gives to family life making communication difficult Moments of genuine enjoyable connection with our beautiful firstborn child are increasingly rare 12 is the star of his own show He thrives on the stage actively seeking large audiences to entertain He would do almost anything for a laugh or for the attention of others Talented on the rugby field he holds his own against some impressively built peers However academics are not his strength and school interests him primarily for the social connections it offers 15_12 is a candid account of 365 days in our lives named after their ages at the start of the journey It explores the relentless

challenges of raising teenagers in a technology obsessed world and chronicles the lengths we go to each day to maintain perspective The book recounts the thankless work brutal rejections and absurd decision making that come with parenting teenagers who tightly cling to the belief that they rule the world To survive the hard days we lean on humour and sarcasm though there are times when my emotional resilience is worn thin by their persistent mental abuse and disdain for my existence On those days I enjoy the guilt of knowing I have once again allowed them to bring out the worst in me as both a parent and a person
