## Halloween Costumes Latest Open Now:

The Last Green Man Ian Pillinger, 2016-11-04 What is the meaning of the hidden wall painting in the abandoned Church Who is Seth Only the Martyn twins can answer these questions Fantasy and magical young adult tale The Last Green Man follows the story of the fourteen year old Martyn twins Jenny and Jake They are sent to live with their grandparents in a deserted and failing Wiltshire valley where they must adapt to a very different lifestyle As they explore their new surroundings their unexpected arrival is noticed by a mysterious creature emerging from materials borrowed from the nearby landscape At first this chaotic assemblage of twigs leaves and mud is childlike However watching and waiting out of sight the furtive ancient being develops as the twins realise they must face a bewildering sequence of lost secrets The truth behind rediscovered local stories encourages the elusive creature to become Seth a vagrant who has unsuccessfully appeared in the valley many times previously Seth reveals himself to the twins as The Last Green Man and despairs believing an evil local family will never be overthrown without human intervention Will Jenny and Jake agree to help or should they stay well away from this creature The Last Green Man will appeal to children aged nine and above who enjoy reading fantasy and magical fiction It will also interest those who enjoy adventure stories *Billboard*, 1952-11-15 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

**Identity Capitalists** Nancy Leong, 2021-02-09 Nancy Leong reveals how powerful people and institutions use diversity to their own advantage and how the rest of us can respond and do better Why do people accused of racism defend themselves by pointing to their black friends Why do men accused of sexism inevitably talk about how they love their wife and daughters Why do colleges and corporations alike photoshop people of color into their websites and promotional materials And why do companies selling everything from cereal to sneakers go out of their way to include a token woman or person of color in their advertisements In this groundbreaking book Nancy Leong coins the term identity capitalist to label the powerful insiders who eke out social and economic value from people of color women LGBTQ people the poor and other outgroups Leong deftly uncovers the rules that govern a system in which all Americans must survive the identity marketplace She contends that the national preoccupation with diversity has counterintuitively allowed identity capitalists to infiltrate the legal system educational institutions the workplace and the media Using examples from law to literature from politics to pop culture Leong takes readers on a journey through the hidden agendas and surprising incentives of various ingroup actors She also uncovers a dire dilemma for outgroup members do they play along and let their identity be used by others or do they protest and risk the wrath of the powerful Arming readers with the tools to recognize and mitigate the harms of exploitation Identity Capitalists reveals what happens when we prioritize diversity over equality

**Box Office**, 1962 *Last Night at the Viper Room* Gavin Edwards, 2013-10-22 A biography elucidating the Academy

Award nominee's meteoric rise, his tragic end, and his legacy. At the dawn of the 1990s, a new crew of leading men—Johnny Depp, Nicolas Cage, Keanu Reeves, and Brad Pitt—was rocketing toward stardom. River Phoenix, however, stood in front of the pack. But behind Phoenix's talent and beautiful public face was a young man who had been raised in a cult by nonconformist parents, who was burdened with supporting his family from a young age, and who eventually succumbed to addiction, dying of an overdose in front of the Viper Room, West Hollywood's storied club, at twenty-three. *Last Night at the Viper Room* is part biography, part cultural history of the 1990s, and part celebration of a Hollywood icon gone too soon. Full of interviews from his fellow actors, directors, friends, and family, this book shows the role River Phoenix played in creating the place of the actor in our modern culture and the impact his work still makes today.

**CAPTURE** Penny Reid, 2015-05-10. He broke her heart and now he's back. From the New York Times Bestselling Author Penny Reid. One week. Manhattan apartment. Super hot ex-boyfriend. What's the worst that could happen? It's been nine months since Kaitlyn Parker has seen or heard from Martin Sandeke. Nine months and five stages of grief. She's lived through the worst of first love heartbreak and is most certainly stronger and less likely to hide in science cabinets than ever before. But now Martin is back. And he wants to be friends. But he's sending mixed signals to the Bunsen burner in Kaitlyn's pants. Will Martin recapture Kaitlyn's heart? Can Kaitlyn and Martin ever be just friends? Or, despite an abundance of chemistry, are some bonds just too unstable to endure.

**Elements of Chemistry CAPTURE** is the final part in a three-part series. It is 65k words. Part 1: **ATTRACTION**. Available Now. Ends on a cliffhanger. Part 2: **HEAT**. Available Now. Ends on a cliffhanger. Part 3: **CAPTURE**. Available Now.

*New Medicalism and the Mental Health Act* John Fanning, 2018-08-09. Ten years have passed since the Mental Health Act (MHA) 2007 came into force in England. An amending statute, the Act reformed the MHA 1983 and reshaped the law governing the compulsory care and treatment of people suffering from mental disorders. Primarily driven by concerns about risk, it sought to remove legalistic obstacles to civil commitment and extend the law's coercive reach into the community. At the time of its

introduction the 2007 Act was written off as a retrograde step and a missed opportunity for radical rights focused reform Despite this little attention has been paid to its impact in the years since Published to coincide with the tenth anniversary of the 2007 Act this book offers a timely evaluation of mental health law and policy in England It argues that the current MHA defies easy categorisation within any of the descriptive models which have customarily narrated the mechanics of civil commitment namely legalism new legalism and medicalism It therefore makes the case for a new model new medicalism to account for the 2007 Act s enhancement of the discretion of mental health professionals for the express purposes of facilitating the management of situations of risk In doing so the book critically examines the problems inherent in civil commitment frameworks organised around the concept of risk explores the theoretical foundations of new medicalism considers the challenges facing proponents of future reform in the era of the UN Convention on the Rights of Persons with Disabilities and reflects on the 2007 Act s practical impact
