**Message to My Girl** Jared Noel,David Wyn Williams,2015-10-01 With only six weeks to live Dr Jared Noel took on the most ambitious project of his short but significant life to document what it was like to die and to record his final reflections on where a young person facing the end of life could find hope value and meaning The result is extraordinary a deeply personal and highly inspirational story of purpose courage and love to the very end Jared was dying for almost six years but his determination to make a difference in the lives of others drew international attention first through The Boredom Blog his transparent reflections on the life of a terminal cancer patient and then through a crowd funding campaign to buy chemotherapy drugs that would keep Jared alive long enough to see the birth of his daughter Elise The campaign raised 170 000 in just a few days and Jared was able to share the first eight months of his baby girl's life In the final days of his palliative care at home Jared was determined to leave Elise a special legacy an account of his inspirational story and a faithful picture of the dad she would not know Battling ever mounting fatigue and sickness he met with writer David Wyn Williams daily to record this honest emotional and profoundly insightful

reflection on life death and everything in between      **Dreaming In French** Vanessa McCausland, 2023-07-01 A remote French island A crumbling villa A reclusive film star And an inheritance Saskia never expected The stunning new novel from the critically acclaimed author of *The Beautiful Words* Saskia Wyle spent one sultry European summer on le de Re when she was nineteen The bright salt flats and sun soaked beaches are now a distant memory and one she made herself forget after an unspeakable tragedy But the French heiress she befriended over twenty years ago has left half of her magnificent home to Saskia and the other half to Felix Allard the now reclusive film star living on the island How did Simone Durant die Was it the family curse that haunted her And why has she included Saskia in her will after all this time Saskia returns to the place of dry stone walls and ancient olive trees to find that Simone has left her another unexpected gift a manuscript written in French Like the lyrical language embedded somewhere in Saskia's subconscious she must find a way to understand what Simone is telling her As Saskia once again falls under the island's spell she must reckon with her past to save what is most precious to her The book I've always dreamed of finding magical prose a glorious setting and a gripping storyline Drift away to a gorgeous French island in the hands of an expert storyteller McCausland has crafted a stunning novel my only wish was that it never had to end Natasha Lester *Dreaming in French* will whisk you away to the earthy pine forests and sun baked salt marshes of le de Re and into an intoxicating story of friendship love and unspeakable betrayal This is a stunning emotive tale and a captivating escape of a book Hannah Richell A beautiful book I loved it Vivid evocative haunting Kate Forsyth Captures the heady delirium of a European summer love where the heat and sex is fervent and sweet Jessie Tu Sydney Morning Herald McCausland has elevated her writing to a sophisticated new level beautifully told Courier Mail      **New Scientist** ,2009

**Print** ,2009      **A Very French Affair** Maria Hoyle, 2024-09-03 A transcontinental romantic memoir in the vein of *A Year in Provence* and *Eat Pray Love* Whether you are contemplating your second act a fellow Francophile introvert or gourmande whether you are a romantic a clown or just a lover of life in all its messy wonder I dare you to read this book and not be entranced Quite simply it is a delight Megan Nicol Reed What do you say when a man you've dated a handful of times asks you to go live with him in a mill by a river in France The obvious answer is Are you out of your mind Maria Hoyle's was Okay At the age of 63 she left her life in Auckland her two daughters her dog her friends a beautiful rental by a beach and everything she'd loved for more than two decades to settle in a tiny French village with a partner she barely knew What could possibly go wrong Maria arrived in the remote hamlet with trepidation but also a little bravado after all with a degree in French she was confident about communicating with the locals And yes that part was mostly fine apart from some amusing faux pas The true challenges were learning to communicate with her new partner Alistair they were smitten with each other but also sitting on a pile of baggage and emotional wounds and adapting to life in rural France when her idea of a great day out was shopping lunch in a bustling caf and a movie Does Maria have it in her to persevere To make good friends and truly feel at home Crucially is she making another terrible romantic mistake or is she finally growing and learning what it means to

move beyond the infatuation stage and make a relationship work Maria s tale is about grabbing life with both hands whatever your age what it means to belong the joys and frustrations of French living and why you should always look closely at a map before emigrating Ultimately though it is a story about the greatest adventure of all Love     The Day the World Stops Shopping J.B. MacKinnon,2021-05-25 Consuming less is our best strategy for saving the planet but can we do it In this thoughtful and surprisingly optimistic book journalist J B MacKinnon investigates how we may achieve a world without shopping We can t stop shopping And yet we must This is the consumer dilemma The economy says we must always consume more even the slightest drop in spending leads to widespread unemployment bankruptcy and home foreclosure The planet says we consume too much in America we burn the earth s resources at a rate five times faster than it can regenerate And despite efforts to green our consumption by recycling increasing energy efficiency or using solar power we have yet to see a decline in global carbon emissions Addressing this paradox head on acclaimed journalist J B MacKinnon asks What would really happen if we simply stopped shopping Is there a way to reduce our consumption to earth saving levels without triggering economic collapse At first this question took him around the world seeking answers from America s big box stores to the hunter gatherer cultures of Namibia to communities in Ecuador that consume at an exactly sustainable rate Then the thought experiment came shockingly true the coronavirus brought shopping to a halt and MacKinnon s ideas were tested in real time Drawing from experts in fields ranging from climate change to economics MacKinnon investigates how living with less would change our planet our society and ourselves Along the way he reveals just how much we stand to gain An investment in our physical and emotional wellness The pleasure of caring for our possessions Closer relationships with our natural world and one another Imaginative and inspiring The Day the World Stops Shopping will embolden you to envision another way     *Business Week* ,2010     **The New York Times Magazine** ,2011     Searcher ,2008     *PC World* ,2009     The New York Times Index ,2007     **Reflections** Kathleen T.
