**of Toxic Tech** Sara Wachter-Boettcher, 2017-10-10 An entertaining romp that tells us where and why the tech industry once America's darling went wrong and what it might do to recover its good graces. Tim Wu, author of *The Master Switch*. Buying groceries, tracking our health, finding a date, whatever we want to do, odds are that we can now do it online. But few of us realize just how many oversights, biases, and downright ethical nightmares are baked inside the tech products we use every day. It's time we change that. In *Technically Wrong*, Sara Wachter-Boettcher demystifies the tech industry, leaving those of us on the other side of the screen better prepared to make informed choices about the services we use and to demand more from the companies behind them. **Research Recipes for Midwives** Caroline J. Hollins Martin, 2024-01-17 Research Recipes for Midwives A 16 step guide to writing a research proposal. Development of a research question, identification of a research method and working through the steps to build a sample are complex and hugely important stages in the career of a student midwife. A good research recipe, a specific method, geared to address a certain kind of question, can be critical to the creation of a successful proposal. Research Recipes for Midwives offers a selection of thoroughly tested research methods from which student midwives can choose in developing their own projects, expertly directing the reader through a 16 step process for applying a recipe to their own proposal. Reader will also find information regarding the relationship between midwifery research and practice. A thorough introduction to research methods, built around clear concepts. Tools for making a complex and challenging process manageable and exciting. Research Recipes for Midwives is the ideal resource for student midwives developing research proposals, particularly those enrolled in research methods modules, providing readers with an edge in this foundational element of the research process.
