## **Sisters And Husbands:**

**Sisters and Husbands** Amanda Brookfield, 2024-12-12 No one gets to the heart of human relationships quite so perceptively as Brookfield The Mirror Ever since the death of their father twenty years before beautiful thirty two year old Anna has acted as her younger sister Becky's support playing the peace maker in her stormy relationship with their mother and counselling her through the traumas of a life that has always appeared charmless and problematic in comparison to her own Now married to wealthy handsome David Lawrence with a luxurious country home and a successful career in broadcasting Anna's good fortune looks set to continue But when she unexpectedly falls pregnant and Becky's marriage runs into trouble the door to the sisters past suddenly swings open exploding all their long held perceptions both of each other and themselves Perfect for fans of Erica James Elizabeth Noble Joanna Trollope and Anita Shreve Amanda Brookfield gets to the heart of what it means to be a family and the power of sibling love What readers are saying about Amanda Brookfield Loved everything about this book The plot the characters even the language Wonderful This is the first book I have read written by Amanda Brookfield and she is now my favourite author A beautifully written book that is perfection in every way simply my favourite book of all time I could not praise it higher Packed with suspense I actually held my breath during some of the scenes and full of relatable characters this book will draw you in from the first page Highly recommend I absolutely loved this book At times I found myself holding my breath it was so tense and so well written I felt so involved in this story that I found myself thinking about it a lot during the day A fantastic read Gripping moving characters you care about highly recommend Praise for Amanda Brookfield An engaging emotionally charged and intriguing story Michelle Gorman Unputdownable Perceptive Poignant I loved it bestselling author Patricia Scanlan on Before I Knew You If Joanna Trollope is the queen of the Aga Saga then Amanda Brookfield must be a strong contender for princess Oxford Times **Sisters and Husbands** Connie Briscoe, 2014-07-02 In this sequel to Sisters and lovers we follow Beverly through her struggle for love happiness and the ability to truly commit Provided by publisher *The Elementary Structures of Kinship* Claude Levi-Strauss, 2016-05-10 Professor L vi Strauss's first major work Les Structures mentales de la Parent has acquired a classic reputation since its original publication in 1949 and it has become the constant focus of academic debate about central theoretical concerns in social anthropology It is however a long and difficult book for many students to read in French and its arguments have consequently become known even among professional anthropologists largely through critical analysis It was republished in a revised French edition in 1967 with a new foreword by the author and it is this text with his further emendations that has been used in this translation L vi Strauss applies his intellectual powers to the perennial problem of incest which he elucidates by means of the concept of exchange as formulated by Marcel Mauss in his famous analysis of the gift Essai sur le don 1925 He distinguishes two elementary modes of exchange which govern not only the conventional variety of goods and services but also the transfer of women in marriage these are restricted and generalized

exchange With a mass of ethnographic evidence he demonstrates how the formidable intricacy of marriage customs comprising moral and jural ideas and institutions which appear to be essentially arbitrary can be seen as local and historical rules of exchange Charles L vi Strauss traces these rules throughout a vast range of simple societies chiefly in Australia and mainland Southeast Asia but also in the Americas in Oceania and in other parts of the world To this survey he adds two extended sections on the great civilizations of China and India He continues with a briefer consideration of the passage from elementary to complex structures with particular reference to African societies and concludes with a stimulating chapter on the principles of kinship exchange as the universal basis for marriage prohibitions and the formal relations between the sexes as part of a universe of communication Although much of the work is technical consisting of detailed analyses of types of social organization with which social anthropologists will be most familiar it also contains much that will be of interest to psychologists linguists and philosophers and to all who are interested in the possibility and the technique of the structural analysis of human activity After the successes moreover of L vi Strauss s subsequent books notably Structural Anthropology Tristes Tropiques Totemism and The Savage Mind this new edition of the work which founded his present outstanding reputation will have additional value as a further means of contact with one of the original minds of this century The translation has been made by James Harle Bell and John Richard von Sturmer of the University of New England Australia and by Rodney Needham of the University of Oxford Dr Needham also acted as general editor and supplied the work with a new general index He is the translator of L vi Strauss s Le Totemisme aujourd hui and author of Structure and Sentiment 1962 and numerous papers which have contributed to the recognition of Professor L vi Strauss s work in the English speaking world Sex Differences in Labor Markets David Neumark,2004-01-29 David Neumarks work on gender and labor markets

appears for the first time in one book here with new introductory material **Sisters & Husbands** Connie Briscoe,2009-05-08 New York Times bestselling author of Sisters and Lovers returns with the next installment as Beverly faces marriage yet again and has to decide once and for all if he is the one and she s ready to commit Ten years have passed since Sisters and Lovers and Beverly now 39 is engaged to Julian a man her family and friends agree is the epitome of a great catch he s gorgeous loyal trustworthy successful and very much in love with her Since this is Beverly s third engagement in the past five years after breaking off the previous two at the last moment everyone s happy that she s finally settling down For Beverly and Julian nothing could be better than being in love and planning their wedding That is until Beverly s oldest sister s marriage falls apart and dampens the mood of what should have been the happiest time in Beverly s life Now second guessing her impending nuptials Beverly is forced to wonder if marriage really works Will she stick it out Or will her fears cloud her judgment once again **Songs for Dead Parents** Erik Mueggler,2017-12-02 In a society that has seen epochal change over a few generations what remains to hold people together and offer them a sense of continuity and meaning In Songs for Dead Parents Erik Mueggler shows how in contemporary China death and the practices surrounding it have

become central to maintaining a connection with the world of ancestors ghosts and spirits that socialism explicitly disavowed Drawing on more than twenty years of fieldwork in a mountain community in Yunnan Province *Songs for Dead Parents* shows how people view the dead as both material and immaterial as effigies replace corpses tombstones replace effigies and texts eventually replace tombstones in a long process of disentangling the dead from the shared world of matter and memory It is through these processes that people envision the cosmological underpinnings of the world and assess the social relations that make up their community Thus state interventions aimed at reforming death practices have been deeply consequential and Mueggler traces the transformations they have wrought and their lasting effects Sisters Dale V.
