### **SCM Studyguide Early Christian Doctrine and the Creeds** Piotr Ashwin-Siejkowski, 2013-02-11

The SCM Studyguides are becoming increasingly well known recognized and adopted as accessible textbooks for level 1 students who have no prior knowledge of the subject. The SCM Studyguide Early Christian Doctrine and the Creeds offers an accessible, stimulating and interactive guide book to the emergence of Christian identity with particular attention to the earliest form of the Christian thought and doctrine. The author analyses the crucial statements of the early Creeds and rules of faith. He explains the creedal statements on the nature of God, creation, incarnation, redemption, the Church and eschatology and outlines the theological context which influenced their formulation and later modifications by other texts and authors. The Creeds are part of the heritage of all Christian tradition and therefore have to be studied by both theological students and in the context of education for discipleship modules.

### **Christian Believer Leader Guide**

Various, 2010-09-01

The leader guide provides two kinds of information: 1. suggestions for weekly group sessions; 2. information to enhance leadership skills to support group building and maintenance and to make effective use of the CHRISTIAN BELIEVER components. A one page session plan for each of the thirty weeks follows a set procedure with an amount of time indicated for each step. Each session plan provides guidance for group activities that make use of the daily preparation members have made and questions for discussion. Group activities are designed to focus on content and help persons connect Scripture, doctrine, believing and living. The leader guide assumes that the leader makes the same preparation for the weekly group session as the other members of the group. Study and discussion in the weekly session is done mainly in small groups. The leader both guides the process and participates with other group members in the small group study and discussion. The leader is not an information giver or lecturer. The leader and the group members have access to the same content for study and discussion, the assigned Scripture selections from the book of Readings, the study manual and the video presentations. A study of CHRISTIAN BELIEVER can renew lives and congregations.
