

Volunteer Appreciation Speech

You matter. You make a difference. Your great generosity has had a profound and lasting impact on [insert the cause or population served by the volunteers being recognized]. Your willingness to share both your time and your talent by volunteering with [insert the organization's name] says a lot about each of you as human beings. Your willingness to give selflessly to help others speaks to both your strength and the quality of your character.

When you volunteer, you are making a commitment to share that most precious of resources — your time — to make life better for those who are in need. The fruits of your labors make a tangible impact, of course, but perhaps it is the fact that you are willing to share your time and talent to lend a helping hand and to show kindness and caring that makes the greatest difference in the lives of the individuals who are touched by your generosity.

While I know that you choose to volunteer selflessly and without expectation of being recognized or rewarded, today I wish to do just that. I want to let you know just how much your dedication is appreciated and to make sure that everyone at [insert name of organization] is forever grateful to each of you. Whether you are a long-time volunteer or if you got involved fairly recently, and regardless of how many hours you choose to give, it's important for you to know that what you do makes a difference.

Words cannot adequately express the gratitude that I, and the board and staff of [insert organization] wish to convey. Please know that your volunteerism is recognized, appreciated, valued and cherished. We thank you and look forward to continuing to work with you in the future.
