Loving God Deborah Tarver Waters,2022-06-03 How do you love God How does a loving God allow difficult things to happen in your life Can you even believe that God exists The secret to loving God is trusting in His word and learning from and living through the stories found in the Bible We can love God through prayer through obedience and through faith We can even love God when we suffer Loving God will help you grow in Him and help build the foundation to trusting and loving the Creator of the heavens and the earth Deborah Tarver Waters invites us to join her on a spiritual odyssey that takes us deeper into an exploration of God's love for us and our love for Him Through personal witness and candid sharing Tarver Waters illustrates how God's gracious loving pursuit of us opens the door for a healing and transforming relationship with Him

Midnight Escapism Shuvechha Dey,2024-10-06 This book is a compilation of my poetries that revolves around the themes of lost love lost friend Grief inevitable death and sadness I have myself never been in love but I have indeed experienced lost friendships Listening to the stories of others about how they lost love how they lost some precious people to death made me feel so raged and upset However words healed me I believe this book *Midnight Escapism* would be your next escapism from your reality Let us escape together from this world and find ourselves in the world of fictions Happy Reading till then

UNLOVE AASHIMA BASSI,2020-06-01 We all happen to make decisions some of which our life depends on We tend to do the right things but also end up doing things we never want to We try to make things work for us but that is not what happens Such is the story of Ananya and Raghav a story of love hope pain and wrath Ananya is a fun loving girl but a perplexed one Moving to a new city made her a different person She gets really uncomfortable around new people which is contrary to her nature but things change when she meets Raghav Raghav is an extrovert a really confident bold person He is an amazing friend and cares a lot about the people he loves Unlove is the story of how two strangers meet become best friends and how their lives change with change in time and places They tend to fall in love and out of love but will they ever fall for each other Will they ever be able to find each other or drift apart forever
