Lose the weight you want to lose and sustain that weight loss for good      **The 20/20 Diet** Phil McGraw, 2015-01-06 In The 20/20 Diet Dr Phil McGraw identifies seven reasons other diets fail people over and over again: hunger, cravings, feeling of restriction, impracticality, and expense, boredom, temptations, and disappointing results or plateaus. Then he addresses each of these roadblocks by applying the latest research and theories that have emerged since his last best seller on the same topic, *The Ultimate Weight Solution*. Dr Phil and his team have created a plan that you can start following right now and continue working for the rest of your life. In this diet, readers will start by eating only 20 key ingredients called the 20/20 Foods, which theories indicate may help enhance your body's thermogenesis and help you feel full. But that's just the beginning. This book explains why you haven't been able to lose the weight before and empowers you with cognitive, behavioral, environmental, social, and nutritional tools so you can finally reach your goal and learn lifelong healthy habits to maintain those results.

Get this Kindle Book for just 9.99. Regularly priced at 19.99. Read on your PC, Mac, smart phone, tablet, or Kindle device. There are many diet methods today that you can try in order to lose weight and become healthy. Each diet emphasizes on taking more of a certain nutrient while taking less of another. Some diets stress on the proper times of the day when you should eat, while others give priority on a certain food or foods which you should always prioritize on each meal of the day. The Shangri-La diet is no different from other diets when it comes to prioritizing weight loss and health of the individual man. The founder of this diet even wrote a book on how the diet should be done to further guide people on the right track to weight loss. His book together with this ebook is a good combination for you to get the full picture of Dr. Roberts' diet plan. This book will discuss the experiences of the founder as well as a personal experience of an individual trying the diet. Certain chapters will also be focusing on foods that should be taken and beginners' guides in following this diet plan. Pros and Cons of this diet will also be discussed as well as comparisons between the Shangri-La diet and other weight loss plans. Remember that any weight loss diet is effective if you commit to it. If you do not pay attention to your health while dieting, not only will the diet become ineffective, it will also be risky to your health. Good luck with your dieting and always be positive. Please note that this book is meant to be at most a supplement to the original diet plan. It is a commentary and review of the diet and is not a direct substitute of the work.
