Dear Valued Sponsor,

Thank you for your sponsorship of our house league soccer program this season! Your funding has been instrumental in helping local youth experience the benefits of organized sport.

We had an excellent soccer season both in terms of weather and player development! Many successes were made on the field: from athletes scoring their first goals to making new friends through fair play and sportsmanship.

Please find enclosed the photograph of the team you sponsored this year as a thank you for your support. We would like to invite your business to sponsor house league soccer for the 2016 season. More details will follow later in the year.

Thank you again for choosing to support the Huntsville Soccer Club,

The Huntsville Soccer Club Executive

**Selected Letters of John Updike** John Updike, 2025-10-21 The arc of literary giant John Updike's life emerges in these luminous daily letters to family friends editors and lovers a remarkable outpouring over six decades from his earliest consciousness as a writer to his final days As James Schiff writes in the introduction to this volume of the writer who would eventually express himself in written form as copiously and as elegantly as any American writer before him Updike needed to write the way the rest of us need to breathe or eat With his stunning rhetorical gifts enabling him to thrive in both short fiction and the novel criticism as well as poetry Updike was also a consummate letter writer When barely a teenager he began submitting poems and cartoons to national magazines and soliciting famous cartoonists with flattering requests for a drawing His letter writing only increased when he left the family farm in Pennsylvania for Harvard where he composed more than 150 witty substantive letters to his parents The summer after he graduated The New Yorker began accepting his work and his exchanges with editors publishers and writers would stretch into a correspondence that Schiff notes figures not as an adjunct to but rather an integral part of his astonishing literary output The intimacy and lucidity of these letters brings to the fore all manner of subjects and situations notably the ardent feelings for his first love and wife Mary and later the heartbreaking but honestly accounted breakup of their marriage the uncensored passion for other women including his Ipswich neighbor Martha who became his second wife the concern for his children's path to adulthood and the conversations with many literary peers from Joyce Carol Oates to Philip Roth as well as his Knopf and New Yorker editors critics translators and others in the lit business Filled with comic observations opinions and personal news told in the fluid first person voice of the writer himself these missives taken together create a page turning life in letters like no other Basic Letter and Memo Writing Susie H. Lewis, 1943 **Welcome: Teacher's book** James David Cooper, 1999 Australia's Asian Sporting Context, 1920s - 30s Sean Brawley, Nick Guoth, 2013-10-18 This book examines Australia's sporting relationships with the Asian region during the interwar period Until now Australia's sporting relationships with the Asian region have been neglected by scholars of Australian and Asian sports history and the broader field of Australia's Asian context Concentrating on the period of the 1920s and 1930s when sporting relationships between Australia and a number of Asian nations emerged in a variety of sports

this book demonstrates the depth of these previously under examined connections The book challenges and complicates the broader historiography of Australia s Asian context a historiography that has been strongly influenced by the White Australia Policy and the Pacific War Why for example did white Australia so warmly welcome visiting Japanese sportsmen at a time when the Pacific region appeared to be inexorably sliding into a war that was informed by racial antagonisms This book examines sporting relations between Australia and seven Asian countries China Japan India Netherlands East Indies Philippines Malaya and Singapore and a range of sports including rugby football swimming hockey boxing cricket and tennis This book was published as a special issue of Sport in Society     *The Other Side of Welcome* Sue Ellen Johnson,1998
