Introduction to Yoga  
This book is going to tell you a little bit about yoga I am not going to go very deeply in to the esoteric and traditional aspects of yoga because that knowledge is only gained through years of training by a wise and experienced guru but you are going to get to know more about this ancient tradition which has come down to benefit mankind down the ages  
What is Yoga  
Ask any health conscious person this question and he is going to inspect the ceiling thoughtfully and say something on the lines of ahhh umm Is not yoga made up of some exercise routines in which you lie down on a mat and twist your body into different shapes  
These exercises are to get rid of weight and will make sure that you keep fit fine and healthy  
When you nod and say Go on he is going to continue enthusiastically  
And then you are going to be chanting some mantras all the time that you are doing these exercises because that is the way it is done  
Hold it right there  
You are right that yoga is basically a set of exercises but let me explain about the idea of mantras and chanting  
This idea that you have to chant instant mantras in praise of the gods is perhaps the reason why so many people are not taking benefit of this ancient Eastern tradition  
That is because they consider this to be religion area and civilization specific  
This is definitely not so  
An American friend once asked me if I practiced yoga being an Indian I nodded and she replied a bit bewildered  
But you are not a Hindu  
So why would you want to practice yoga  
And then she shrugged her shoulders and said Well I guess it is just a passing phase this interest in yoga  
This was 20 years ago and for all those people out there who still are under the impression that yoga is a religion specific tradition let me tell you a little bit about this ancient traditional way of keeping healthy  
And I am glad to see that she has been proven wrong because Yoga is definitely not a fad  
It is not here today gone tomorrow  
More and more people in the West and also all over the world are getting interested in this natural way of keeping healthy and physically emotionally spiritually and mentally fit  
Yoga has been around for more than 5000 years  
It has been practiced in Asia in different ways and under different names with one goal achievement of spiritual harmony and physical well being  
The Chinese have their own version of yoga Taichi and Taijiquan which includes mental and physical exercises including meditation  
So have plenty of old

Eastern civilizations down the ages Yoga is a state of mind it is also the art of living in which the mind body and spirit work in tandem to achieve the state of mental physical and emotional harmony And if that is too philosophical for you you can consider yoga to be a system in which you are getting in touch with your mind body and spirit in a really positive manner

Beginner Yoga Books: Simple Yoga Poses For Beginners + Yoga For Beginners Guide With Basic Yoga Poses For Beginners + Zen Is Like You: Meditation Prayer & Meditation Affirmations (for Yoga Journal & Yoga Notebook) Juliana Baldec,2014-04-20 Compilation Of 3 Beginning Yoga Books In this yoga routine for beginners compilation of 3 books Alecandra Baldec Juliana Baldec are combining their 3 titles Book 1 11 Simple Yoga Poses For Beginners Book 2 The Daily Yoga Ritual Lifestyle Yoga For Beginners Guide with Basic Yoga Poses For Beginners Book 3 Zen Is Like You Meditation Prayer Meditation Affirmations For Yoga Journal Notebook This is what the two sisters love about Yoga Meditation Hi to all Yoga beginners You will soon love Yoga Meditation too The benefits of Yoga and doing these Yoga poses are way too powerful to pass and ignore them Inside this compilation you will learn how a Yoga beginner can take lots of benefits out of these Simple Yoga Poses For Beginners The system is perfect for beginners who might have tried to integrate yoga poses into their lifestyle but until today these individual might have failed because of time constraints and modern life complexities This compilation of the 11 most beneficial beginners yoga poses reveals the top favorite yoga posture and positions Juliana Alecandra Baldec reveal some valuable tips how to apply them the right way and how to make them work for you the proper way In today s world time has become such a valuable resource and the authors give you some insider tips that make these Yoga Workouts work for you too The objective of the compilation is to give you the top 11 yoga basic poses for beginners to show you the benefits of each one and to make each of them work for you You will receive some valuable tips and hints what the authors like about each of these positions and why they specifically work for them Especially in the beginning of doing something new it is critical to have someone you can connect and model after Juliana Baldec modeled after her sister Alecandra who is an expert in meditation and yoga and Alecandra got her knowledge from the yoga and meditation gurus and insiders *Yoga For Beginners* Ntathu Allen,2017-10-16 Say goodbye to the old tired unhappy you Say HELLO to the new supple energetic relaxed you by making yoga a way of life Frustration and stress come from spending your entire day meeting other people s demands but never taking care of yourself Now you re about to learn how to start taking amazing care of your own physical and emotional needs in as little as five minutes per day You ll learn easy restorative yoga poses to strengthen your body and powerful meditation techniques to remove stress for work and home Just imagine creating your own custom 5 minute yoga routine that allows you to instantly relax clear your mind and energize your body without needing a yoga mat or instructor to show you what to do In this book you will discover Easy and fun yoga poses designed to increase your energy and revitalize your body A series of breathing exercises guaranteed to restore your calm and focus allowing you to make better and faster decisions without stress or frustration Soothing guided meditations that will support you in
