B is for Bauhaus, Y is for YouTube Deyan Sudjic, 2015-02-17 A tool kit done in A Z form for understanding the world around us through the way we design and use things Covering subjects that range from authenticity to Grand Theft Auto to Dieter Rams Deyan Sudjic's latest book has been called a master class in musing on modern design Though it is organized in A Z format it is not a dictionary or an encyclopedia in the strictest sense Rather it is an essential tool kit for understanding the world through emblematic examples both historic and contemporary from the field of design In stand alone chapters Sudjic explores concepts as a whole specific movements or specific objects and people The result is a kaleidoscopic view of the profound way in which design both good and bad has colored the modern world and influenced our interactions with popular culture Woven throughout are surprisingly nostalgic remembrances and intensely personal perspectives on a life in design by someone who clearly lives and breathes it Sudjic demonstrates not only a passion for the subject but also an ability to illuminate what is most inspiring and intriguing about the way we create **You Can't Die** John C. Wolfe, 2017-12-06 A DAY OF CLARITY by John C Wolfe is a detailed account of one man's attempt to master alcohol By the time he's twenty years old he is convinced that alcohol improves his character and abilities in all facets of life At first it's hard to dispute his thinking He rises quickly in his career as a writer As Chief Speechwriter to the Governor of New York he writes over a thousand speeches while drunk He drinks in restrooms courtrooms even in the delivery room where his son was born He even manages to sneak drinks into a three way meeting with the Governor and former Secretary of State Henry Kissinger He finds a way to drink in every situation except once on September 11 2001 when he finds himself in withdrawal among the rubble of the World Trade Center Finally after ten years he is coaxed into treatment by family and friends He emerges from rehab twenty eight days later One night in the church of an Alcoholics Anonymous meeting while sober but disoriented he inexplicably swallows a lethal dose of a narcotic medication meant to assist his recovery His heart stops twice and he is placed on life support He is thought to be suicidal banished from the State Capitol and mandated to a psychiatric center for a month of observation While there he becomes convinced that the strain of sobriety caused his overdose He comes to believe that he is suffering from a mental illness that only alcohol can control and he vows to never stop drinking again Soon after his release from the psychiatric center he returns to his daily routine of heavy drinking There are countless hospital and rehab stays and severe alcohol withdrawals in detox units His family turns to the last best hope for a recovery at the prestigious Caron Foundation in Pennsylvania Twenty days into his treatment there he claims the walls are closing in around him and runs from the facility That night he gets drunk in Reading PA returns to Caron the next day then runs back to his lake house in the Adirondacks Within two weeks he is physically unable to go fifteen minutes without a drink without suffering dangerous withdrawal symptoms and risking a seizure He knows he is going to die and accepts it Opting to spend his final summer at his beloved lake house he stays inside so no one is able to see his condition There was little left for his family and friends to

do It was just a matter of what killed him first alcohol or suicide Just three months after leaving treatment in Pennsylvania relatives find him gravely ill on the floor of the lake home and bring him to an emergency room Doctors weren't sure if he would live He is heavily medicated through the withdrawal process then sent to the detox unit A month later he walks out of the hospital completely sober for the first time in twenty five years Doctors predicted a long and difficult recovery They warned that his alcohol abuse had stunted his emotional growth by more than twenty years They said that all the years of intoxication may have been masking a mental illness They said he could be agitated confused and even paranoid for as long as two years More than anything else A Day of Clarity is the story of a man's distrust of himself He uses alcohol as an elixir to control all facets of his life his mood his decisions even his health He drinks to temper his anger regulate his physical comfort and stifle what he feared were psychotic impulses He drinks to prevent another inexplicable near death experience At the age of forty seven he must begin what he believes is an impossible task Starting all over again right where he left off 25 years earlier disavowing everything he believed was true when he first learned it and relearning it all over again while anxiously waiting for a day of clarity
