The Perennials Mauro F. Guillén, 2023-08-22 Get the best from accelerating social change with the new book from the bestselling author of *2030* and acclaimed thought leader Kirkus Mauro Guillén Adam Grant praises how the book invites us to rethink our careers our families and our future plans Find out why business leaders and bestselling authors around the world are calling the book sharply relevant and necessary William P. Lauder insightful and deeply researched Richard Florida and A must read Mohammed A. El Erian In today's world the acceleration of megatrends increasing longevity and the explosion of technology among many others are transforming life as we now know it In *The Perennials* bestselling author of *2030* Mauro Guillén unpacks a sweeping societal shift triggered by demographic and technological transformation Guillén argues that outmoded terms like Boomers Gen X Millennials and Gen Z have long been used to pigeonhole us into rigid categories and life stages artificially preventing people from reaching their full potential A new postgenerational workforce known as perennials individuals who are not pitted against each other either by their age or experience makes it possible to liberate scores of people from the constraints of the sequential model of life and level the playing field so that everyone has a chance at living a rewarding life Guillén unveils how this generational revolution will impact young people just entering the workforce as well as those who are living and working longer This multigenerational revolution is already happening and Mauro Guillén identifies the specific cultural organizational and policy changes that need to be made in order to switch to a new template and usher in a new era of innovation powered by the perennials

GrowerTalks on Perennials Rick Blanchette, 2002 This collection of more than 60 articles from *GrowerTalks* magazine is written for professional growers by the industry's leading floriculture experts academic researchers and professional growers Articles highlight proven methods and tips on crop control growth regulation of perennial crops pest control and marketing perennial crops The controversial issue of forcing perennial flowers out of season so customers can buy colorful plants in the spring is discussed as is specific research into planning for spring flowers Research into regulating the height growth of perennial crops is also presented including findings on which plant growth regulators are effective and at what rates
