*Trinity* Joseph F. Girzone, 2002-10-15 The bestselling author of Never Alone and A Portrait of Jesus returns to reflect on his personal spirituality to guide us to a deeper understanding of the essence of God With Trinity Joseph Girzone guides readers to a deeper understanding of this foundational concept explaining why it is not antiquated theological dogma but a living expression of the very essence of God He offers support and clarity to those who already believe in God and invites those who profess not to believe on a journey to find an image of a God who is believable and perhaps even lovable For centuries Christians have struggled to understand the nature of God as three persons in one But with grace similar to that which allowed Saint Patrick to explain the Trinity by using a shamrock Girzone takes a step back from the most arcane explanations to offer a simple useful understanding He begins by showing the ways God was perceived by the ancient Hebrews and reveals how Jesus forever changed that image of God As he chronicles the growth from the time of Jesus and the early Church writing about the challenges Christianity faced from both within and without Girzone elucidates the mysterious ways the Trinity works in the world and especially in the Church as an extension of Jesus presence in history Writing with passion and insight he helps readers understand how the Father the Son and the Holy Spirit work within individuals as well guiding them as they struggle along the pathways of life on Earth **Trinity** Joseph F.

Of the many names of God commonly used in the Bible and other sacred literature none is God s real name Every God name including YHWH reflects only one of God s many aspects such as the loving creator the militaristic authoritarian or the all knowing judge None embodies the wholeness the totality the full Essence of God Who then are we to speak to when we seek God If you can t truly know something until you know its name how can we truly know God The culmination of years of translation research and etymological investigation Rabbi Wayne Dosick s work digs through many layers of presumption and deeply ingrained beliefs to reveal the real name of God hiding in plain sight in the Bible Anochi He shows how this sacred name unites all religions both of the West and the East The name Anochi enables us to finally meet the whole complete real God both the grand God of the vast universe and the God of breath soul and heart who dwells within each of us This in depth exploration of God s name includes spiritual techniques poems guided prayers and meditative chants to bring each of us into personal intimate and purposeful relationship with God By knowing the real name of God we can affirm the connection to the Divine at the core of our being We can touch the face of God that resides deep within us all *God, the Devil, and Harry Potter* John Killinger,2004-04-05 A Presbyterian minister defends the Harry Potter series from conservatives who denounce the books as paganism demonstrating how they promote the values of faith and morality and profiling the main character as a Christ figure

**Faith Worth Finding** JOHN ADAM,2011-09-14 A HISTORY WORTH READING AND FAITH WORTH FINDING THIS IS A BOOK FOR THOSE SEEKING INSPIRATION PRESENTED BY HISTORY RELIGION AND SCIENCE ABOUT A PLAN FOR HUMANKIND A Discussion Leader moderates Bob and Anne in all chapters herein These characters in FaithWorth Finding are fictitious Gods plan for planet Earth can be determined from scriptures quoted from the New International Bible and the latest scientific evidence The scientific evidence discussed was gleaned from the Further Reading references These books discuss scientific studies produced by evidence obtained using telescopes microscopes and powerful computers Scientists unraveled the human genetic code in the twenty first century The discussions are fictitious The conversations are meant to establish an interest in the Holy Bible and the references for further reading This scriptural and scientific presentation is not intended to reflect the view of any religious or scientific organization The book is available to read or to listen to the Author s rendering

**The Practical Steps to the Deeper Spiritual Life** Larry Mehaffey,2012-01-19 In attempting to more effectively communicate the principles of spiritual life to those who sincerely desire a deeper reality in their walk with Christ I have discovered that most people appreciate practical and straightforward instructions and this is especially true when it involves the mystical nature of spiritual life Although spiritual life is not meritoriously attained through natural means or human effort there are several Practical Steps that can be taken to help facilitate the practice of spiritual disciplines The combination of these Practical Steps with the spiritual disciplines themselves will work to promote a dynamic life of faith that will effectively bring the believer into a productive and rewarding relationship with God Man is an intentional creation of divine wisdom explicitly designed to fulfill a sacred purpose Agape

love requires a soul to empty the wealth of its humanity upon the altar of God as a willing sacrifice If determination is to live up to its potential in promoting the spiritual life it must be united with some very fundamental practical steps Heaven should not be a culture shock to the consciousness of the believer it should be a gradual final step into the glorious reality of a spiritual life whose progress began at conversion Divine pleasure must be the goal of human effort not divine favor The genuineness of what we actually believe is nowhere so obviously exposed as in our daily schedules It does not take overtly carnal acts to corrupt the days of a man s life for inattention and idleness produce the same result as evil actions or wicked intentions Liberty must always precede service if either are to be authentic It is our great love for the Father not our initial desire for salvation that motivates and liberates the sincere believer to live a life of chosen obedience to God

The largest missional challenge facing the church of Christ in the West is to equip every member to engage in missionary endeavor in third places Third places are those social zones in society like coffee shops gyms shopping malls pubs etc that everyone and anyone can meet in as commonly owned spaces The authors argue that for too long the church has not equipped and trained its members to engage in mission in the public square The mobilization of every member to become the hands and feet of the missional sacramental body of Christ to carry the message of God s generous love to not yet Christians is vital if we want to witness the kingdom reign of God extend into their lives Places are important to the sovereign Lord of mission and this book challenges the churches of Christ to become what they properly need to be equipping agencies for every member mission and ministry
