Google My Business GMB is an essential tool for businesses today and for the future. Although Google My Business has been around for a long time, it has grown in its importance as more users use search engines to find information about a local business, even more so during the COVID 19 pandemic. Here is an excellent opportunity to learn how to use Google My Business to generate trust with your customers, increase customer expansion for your business, and help companies cash upon more ROI. Google My Business is a powerful tool that can transform how you drive customers to your local brick and mortar business and further develop trust with new and existing customers. If you have not claimed your business and/or optimized your profile recently on Google, there is no better time than the present. It has been reported that 46% of all Google searches are looking for local information. Many of those searches result in Zero Click Searches. Research shows that 92% of online buyers like to compare brands online before buying something. And most of them head to Google Search to find businesses they would like to purchase from. Additionally, 49% of all Google My Business listings get more than 1000 searches every month, while 96% of the listings are seen 25 times per month at least. 56% of the people who see your GMB listing will click through to your website, while another 24% will call your business directly. That is great news for businesses that want to survive and thrive despite the challenging economic conditions.

Google My Business 3.0 This guide will discuss why your Google My Business listings are important for your local SEO strategy, as well as the process of creating and optimizing your listing, and all the answers about utilizing this platform. All in all, it is jam loaded with information on how you can increase your visibility on Google and rank higher and drive more customers to your business. This ebook covers some of the following important features, including:

- What is the importance and benefits of having a Google My Business Listing in present times.
- Important Google My Business Covid 19 Updates.
- Changes done by Google during the pandemic.
- An overview of latest and awesome new Google My Business Features for your Business.
- Google My Business Technical Set up Guide covering all How To's step by step.

This is a comprehensive ebook on creating a successful and well optimized GMB listing, which is crucial to getting in front of your customers before the competition. Google My Business complements your existing website by giving your business a public identity and presence with a listing on Google, the most popular search engine in the world.
