Fishbein, 2019-10-15 For lovers of Sloane Crosley and Samantha Irby this hilarious and raw essay collection paints a recognizable and relatable portrait of life in the early aughts Former Senior Editor for Gothamist Rebecca Fishbein's adult life has been a dramatic reflection of New York media itself constantly evolving in unexpected ways and seemingly always on the edge of disaster In short Rebecca has seen it all from 3 bedbug infestations to being fired to being yelled at while

working at American Apparel to losing all her stuff in a freak fire to being bullied online by angry Taylor Swift fans But the real humor and meat of the collection come from Rebecca s unwavering honesty and unflinching examination of her struggles with alcohol anxiety depression compulsive lying female beauty standards and a slew of failed coworker roommate friend semi relationships are dark insightful and hilarious As Jia Tolentino commented the era of the personal essay ended with the election this is not your grandmother s millennial essay collection Rebecca s writing is relatable without being preachy and conveys a message of resilience by example not by moral Readers will recognize the world they themselves see a disastrous president and a scary socioeconomic landscape in Becca s writing and find comfort in her humor and a snarky but incisive friend in her writing *Report to the Governor on Labor Market Conditions* California.
