**Under the Apple Tree** Rebecca Clark Brockway,2013-02-19 Under The Apple Tree is a compilation of memories that spans the lifetime of the author Born in the late 50s this Montana baby boomer experienced a simple life that entwined hard work and moral values a time when there was an engrained sense of responsibility that bound folks together Centered on family recreation never strayed far from home or the Rocky Mountains Honesty and integrity were qualities that were the norm in her small rural community Folks said what they meant and meant what they said a person was only as good as his or her word Consumerism was not practiced televisions were black and white and doctors still did house calls Recycling and repurposing weren t new concepts they were commonplace Manufactured goods were made to last and technology was dawdling In 1969 as a result of a family dispute her family pulled up roots and moved to the city The transition from rural living to city dwelling was dissonant and the jump into the 21st century and adulthood wasn t perhaps the smoothest but this author rose to the challenge still maintaining those homegrown principles and simple views in spite of the ebb and flow of everyday life

**Good Apple** Elizabeth Passarella,2021-01-19 For a woman who thinks of herself as a New Yorker at this point I buy a lot of clothes from companies named things like Shrimp Grits Why Because identity is complicated Elizabeth Passarella is content with being complicated She grew up in Memphis in a conservative Republican family with a Christian mom and a Jewish dad Then she moved to New York fell in love with the city and eventually her husband and changed Sort of While her politics have tilted to the left she still puts her faith first and argues that the two can go hand in hand for what it s worth Whether you have city lights or starry skies in your eye Good Apple will show you that God pursues each of us no matter our own inconsistencies or failures There s beauty in the gray areas of our lives We can all embrace the absurdity chaos and strange sacredness of life that brings us together In this sharp and slyly profound memoir Elizabeth upends stereotypes about Southerners New Yorkers and Christians making a case that we are all flawed humans simply doing our best Praise for Good Apple With sly humor ecumenical warmth and disarming frankness Elizabeth Passarella builds bridges between red and blue and North and South Good Apple makes a strong case for New York City as the kingdom of God and for handwritten thank you notes Ada Calhoun author of St Marks Is Dead Wedding Toasts I ll Never Give and Why We Can t Sleep
