AI Explains:

TikTok Alexis Piani, 2025-06-01 TikTok is more than just an app on your phone it s a global phenomenon that has fundamentally reshaped digital culture entertainment and even politics in just a few short years. From its origins as Douyin in China in 2016 a product of ByteDance s ambitious AI first vision it embarked on a rapid ascent culminating in its explosive global expansion following the strategic acquisition and merger with Musical ly in 2018. This wasn t just a simple integration it instantly catapulted TikTok into the mainstream in key Western markets providing the critical mass needed for its sophisticated recommendation algorithms to truly take hold on a global scale. We see the viral dances the fleeting trends and the endless stream of personalized content but understanding how this platform achieved such unprecedented dominance and why it exerts such profound influence requires looking beneath the surface. This book delves into the intricate layers of the TikTok ecosystem moving beyond the viral moments to explore the technological engine corporate strategy and societal impacts that define the platform. You ll gain insight into the powerful AI algorithms that curate the addictive For You feed shaping everything from music charts to political discourse and examine the complex business model that translates billions of minutes of attention into a formidable economic force. We navigate the turbulent waters of data privacy concerns national security fears and the intense geopolitical pressures including the legislative actions seen in 2024 that challenge the platform s very presence in countries worldwide. Drawing on research and data we critically assess its influence on mental health content moderation and its evolving role in the global information ecosystem. Whether you re a student of media or
