Microtimes ,1995-11 *Larson* Kathi S. Barton,2017-11-30 Virginia is a bestselling paranormal romance author She does much better with her stories than with people When she s in her writing zone she won t even eat unless her mother hands her a plate and reminds her to do so She wouldn t be making the trip to the McCullough s if it wasn t absolutely necessary Go see the child and make sure he has a good home That is the plan Simple not Larson is having his own issues Being blamed for the murder of one of his clients which he didn t do has him closing up shop and laying low for a few days His mom insists that he show up for dinner to meet their visiting guests Larson would rather stay home but she d have his hide if he did Larson sees the beauty from across the room and makes his way to her Before he even reaches her he catches her scent She is his mate Now what is he supposed to do He has his life just the way he wants it and a mate wasn t figured into that equation On the other hand the way she flushes when she returns his stare has him thinking anything but pure thoughts Maybe having a mate wouldn t be so bad after all **Anthony** Kathi S. Barton,2016-10-31 Coleen had heard just about all she wanted to hear from her grandmother about the Bentleys no one could be that nice There had to be an angle there somewhere People just didn t help other people for nothing not in this day and age Tony Bentley wasn t expecting to find his mate and as a Were Panther he could even understand her reluctance He was after all a Bentley and the poor woman had been taken through the wringer but she was his mate and he wasn t about to take no for an answer Coleen s ex had left her in a heap of debt and she couldn t allow herself to bring that kind of baggage into a relationship She d work through it somehow without the help of the mighty Bentleys Agon Kathi S. Barton,2014-07-04 She is not going to be my wife In any way Riss Riss nodded as Agon started pacing again I want to touch her Feel her body close to mine and kiss her I have a need to taste her mouth to see if it tastes as good as I think it might Then there is my body I cannot control it around her I run so hot and hard that I feel as if the world knows that I need her in ways that are not right She will taste better than you can ever dream of and her body will give you pleasure in ways you cannot imagine Agon stared at him for several seconds But you cannot touch her She is your charge If you do not wish to have her as your wife then you must not touch her in any way If you do if you do my friend then there will be no turning back For the touch of the woman you are to spend your days with will haunt you in ways that will make you want to end your life in order to be with her Trust me on this I am well aware of how your body will crave her and you will stop at nothing to have her again and again I do not want her Riss nodded and could see that Agon was lying to him as much as he was himself She is beautiful and stubborn but I do not want her But I fear that it might be too late for me Ruby Kathi S. Barton,2015-02-20 Ruby Erickson was the best OR surgeon the small hospital had Management had mandated that the doctors were to turn away any people for treatment that couldn t pay Under strict orders to follow the rules or else Ruby operated on the young woman anyway She d never live long enough to survive the trip to County Josh Ewing was suffering from a bad breakup He had moved to the small town to get away from his cheating ex

Barton,2015-10-19 Riordan Harrison can't believe it Everyone is pissed at him and he doesn't see what the fuss is all about All he did was tell the woman that she was his mate He couldn't help it that his tiger caused him to pin the woman to the counter and she proceeded to throw him to the ground and cover him with sticky pastries Now no one will talk to him including his secretary He hasn't claimed the woman yet and it is all seeming like it's more trouble than it's worth Storm Browning Stormy to her friends is a wounded war hero She's done her duty and just wants to live a quiet life run her little bakery without any hitches The majority of the men she commanded in the war had been shifters so she wasn't surprised when the big oaf sniffed her out claiming that she was his mate But that doesn't mean she has to agree with it What else could she do He had to go He'd hightail it and run anyway when he saw her scars they all did She couldn't emotionally handle that not again at any rate But if Riordan is going to get back on everyone's good side he'll have to make peace with the woman Even though he thinks he's innocent he'll go for a visit and maybe apologize but after he gets there things go from bad to worse Stormy is targeted for assassination and he's in the line of fire **Scott** Kathi S. Barton,2016-10-17 Chloe Davis was giving up She thought for sure the owners of the computer shop she worked for were responsible for her father's death but in all the time she'd worked there she'd not been able to find enough evidence to prove it so as far as she was concerned she was out of there Her boss George on the other hand had other ideas As far as he was concerned she wasn't going anywhere by force if necessary Scott Calhoun was just trying to help his grandfather get the young woman to safety The last thing he expected was for her to be his mate And he wasn't happy about it either Scott was a Dom and he liked his sex hard and rough and his women submissive this woman was a spitfire and he was pretty sure he'd scare her off with his

demands As far as he was concerned he was a deviant not mate material But when Chloe and Scott come together they both find more than they expected Scott has finally met his match Now if everyone would stop trying to kill them they might live long enough to enjoy each other Galin Kathi S. Barton,2014-10-26 Galin knows it s his turn and he isn t having any part of it He makes no bones about making it clear to Boss either that he both knows what he is up to and isn t going to cooperate He doesn t now or ever want a wife This boy you are going to protect is somewhat of a problem child He has had a great deal thrown at him but Boy Boss nodded and frowned No I m sorry but it should be a woman not a boy I m not you re going to assign me my wife to care for I don t want one but I know it should be female What is this about He pushed the file back at Michael You want a wife It was my understanding that you have no wish to be wed Am I correct on that Galin nodded and looked at the file with the picture of a young boy on it He appeared to be in his early teens maybe but he wasn t much older than that Galin Do you wish for me to reassign you Do you have no desire to help this young man I thought I was going into the rotation to find me a wife The way that you did for Riss and Agon He looked up at Boss and Michael who had summoned him today I had thought that the Mystics were a way for you to get rid of us all and marrying us off was better than having us die I m I m not sure what s going on now Dusty McGee has just lost her sister to a horrific accident and finds herself saddled with a very angry young nephew to raise Now some self proclaimed protector Galin tells her that although he doesn t want to marry her he would very much like to take her to his bed She s had about all that she can stand Markum has set his sights on taking the boy to his realm convinced this is the alleged boy the demons have been searching for and Dusty is an added bonus **Thomas** Kathi S. Barton,2014-12-19 Thomas Lanning likes things neat and orderly He bought the house he grew up in and just about has everything remodeled the way he wants it He s happy with the house and wants a mate someday that day isn t today Linyah pops in to meet the Lanning Leap She is expected just not today The last thing she expects to find is a huge handsome male who takes one look at her and he gets pissed off This day just went from good to shit in a matter of heartbeats didn t it I don t suppose you have a mate do you She shook her head Of course not That would just make it too nice and easy I wonder what else is in store for me Plague The bank go belly up Linyah took a step back when he took one toward her I need to touch you Thomas He turned them both to his mom Thomas is she your mate Is this your mate Linyah isn t any happier than Thomas is She has been very successful in avoiding any entanglements with a male until now She has even managed to avoid Timmer a forced arrangement brought on by her sister their Queen Even though Thomas isn t happy about Linyah s arrival he s even less happy about Timmer Linyah s his mate Timmer s been promised Linyah s hand by the Queen and isn t about to take no for an answer Dallas Kathi S. Barton,2023-11-20 From the moment Amy found out her brother was running for the presidency of the United States she moved out of the family home and changed her last name She loved her brother but she didn t love the limelight All she wanted was freedom The freedom to live her life the way she wanted without being in the shadow of the Secret Service all the time Taking pictures was her passion and that s what she

would do and no one would stand in her way Amy had taken a lot of great shots of the animals at the zoo but if one more person asked her if she had permission to be there she would scream She just about had her camera in focus when another zoo employee approached her He introduced himself as Dr Dallas Dixon and instead of being upset with her he wanted her to take some pictures of a gorilla who had just given birth but the baby wouldn't live It didn't take long for Amy to realize that Dallas was a shifter and silverback to his troop You're the silverback The leader to her I don't know how that works but you're a shifter Gorilla shifter and leader That's why that other man said that you could order her to do Christ oh mighty Oh fucking no She turned her entire body and looked at the man sitting not ten feet from her You are not telling me that you have it in your impossibly small mind that I'm whatever they call a silverback's mate are you No Don't answer that I don't need to nor do I want to know

debonair carpenter with music in his hands and solitude in his soul Their connection unfolds slowly like the first chords of a forgotten song tentative tender and deeply moving As melodies rise from old instruments and unspoken feelings surface through moments of shared silence trust begins to grow and creativity gently returns Together they begin to heal not only from what life once took from them but from what they had forgotten they were still capable of giving With each passing day they discover that love doesn't ask for perfection it simply asks for presence and sometimes it's the softest touch that stirs and awakens the soul Eylli and Rhys come to realize that love doesn't always announce itself There are moments found in the rhythm of small gestures in the warmth of a lingering touch and in the silent promise of someone who chooses to stay A Touch That Awakens the Soul is a deeply romantic and inspirational novel about rediscovering love healing through connection and finding home not in a place but in each other A story for anyone who believes in love second chances and the kind of intimacy that lingers long after the final page
