Sleep Hacks Max Streaming Update:

Indistractable, Updated Edition Nir Eyal, 2025-11-04 Discover the award winning book that has improved hundreds of thousands of lives by changing how we approach distractions. You sit down at your desk to work on an important project but a notification on your phone interrupts your morning. Later as you're about to get back to work a colleague taps you on the shoulder to chat. At home screens get in the way of quality time with your family. Another day goes by and once again your most important personal and professional goals are put on hold. What would be possible if you followed through on your best intentions? What could you accomplish if you could stay focused? What if you had the power to become indistractable? In *Indistractable*, international bestselling author of *Hooked* and behavioral design expert Nir Eyal reveals the hidden psychology driving us to distraction and the keys to getting the best out of technology without letting it get the best of us. Inside Eyal overturns conventional wisdom and reveals why distraction at work is a symptom of a dysfunctional company culture and how to fix it. How traditional to do lists can do more harm than good. New distraction challenges related to remote work and videoconferencing and ways to minimize their impact. What really drives human behavior and why time management is pain management. Case studies and expert guidance for effective timeboxing. Why your relationships and your sex life depend on you becoming indistractable. How to raise indistractable children in an increasingly distracting world. Solving the problem of technology driven distraction is not as simple as swearing off our devices. Abstinence is impractical and often makes us want more. Empowering and optimistic *Indistractable* provides practical, novel techniques to control your time and attention, helping you live the life you really want.
