Computers and Society Ronald M. Baecker, 2019-04-24 The last century has seen enormous leaps in the development of digital technologies and most aspects of modern life have changed significantly with their widespread availability and use Technology at various scales supercomputers corporate networks desktop and laptop computers the internet tablets mobile phones and processors that are hidden in everyday devices and are so small you can barely see them with the naked eye all pervade our world in a major way Computers and Society Modern Perspectives is a wide ranging and comprehensive textbook that critically assesses the global technical achievements in digital technologies and how they are applied in media education and learning medicine and health free speech democracy and government and war and peace Ronald M Baecker reviews critical ethical issues raised by computers such as digital inclusion security safety privacy automation and work and discusses social political and ethical controversies and choices now faced by society Particular attention is paid to new and exciting developments in artificial intelligence and machine learning and the issues that have arisen from our complex relationship with AI **Ignite Your Career** , **Good Morning Intentions** Britt Deanda, Tara

Schulenberg, 2021-02-01 Committing to a morning ritual can increase positive energy and support better health and vitality In Good Morning Intentions two yoga and meditation experts share 25 morning rituals that blend ancient wisdom with modern living Readers will learn to raise their vibrations connect with their goals and manifest the life they want using simple meditations and intention setting Digital Lawyering Emma Jones, Francine Ryan, Ann Thanaraj, Terry

Wong, 2021-11-29 In today's rapidly changing legal landscape becoming a digital lawyer is vital to success within the legal profession This textbook provides an accessible and thorough introduction to digital lawyering present and future and a toolkit for gaining the key attributes and skills required to utilise technology within legal practice effectively Digital technologies have already begun a radical transformation of the legal profession and the justice system Digital Lawyering introduces students to all key topics from the role of blockchain to the use of digital evidence in courtrooms supported by contemporary case studies and integrated interactive activities The book considers specific forms of technology such as Big Data analytics and artificial intelligence but also broader issues including regulation privacy and ethics It encourages students to explore the impact of digital lawyering upon professional identity and to consider the emerging skills and competencies employers now require Using this textbook will allow students to identify discuss and reflect on emerging issues and trends within digital lawyering in a critical and informed manner drawing on both its theoretical basis and accounts of its use in legal practice Digital Lawyering is ideal for use as a main textbook on modules focused on technology and law and as a supplementary textbook on modules covering lawyering and legal skills more generally *Baptism in*

*Times of Change* Harald Hegstad, Steinunn Arnþrúður Björnsdóttir, Magnus Evertsson, Jonas Adelin Jorgensen, Jyri Komulainen, 2025-04-10 What happened to baptism in Nordic countries Traditionally most newborns were baptized into the

Lutheran majority churches The rapid decline of this practice in recent decades has sparked reflection on the church's role in society and on the cultural and theological meaning of baptism in a secularized society The decline of infant baptism has made way for new practices and ecclesial strategies This book analyzes these developments from historical social scientific and theological perspectives comparing material from the five Nordic Lutheran folk churches The essays gathered here provide an extensive overview of research and resources connected to baptism in the Nordic folk churches over the last two decades but they also contribute constructive theological reflection on baptism's wider implications This anthology emerged from the larger joint Nordic project Baptism in Times of Change conducted between 2020 and 2022 The project was part of the joint Nordic initiative Churches in Times of Change focusing on changes in ecclesial practice and theology in the Nordic region
