Hunger and Social Work Christine Meyer, 2025-05-02 The textbook offers an introduction to the elementary connection  
between social work and the human need for food At present hunger as a basic human need has become a secondary issue in

especially in its historical predecessors For the first time this introduction provides an overview of the multi layered aspects  
of social work with regard to satisfying the need for hunger in socio historical terms and in various constellations of social  
work and also focuses on the abuse of power in educational contexts Depending on social developments and the resulting life
