Corporate Social Responsibility, Sustainability, and Ethical Public Relations Donnalyn Pompper, 2017-11-30 This book offers practical advice for building organizations with social responsibility and sustainability organically built in based on two way communication between human resources HR and public relations PR departments working together as an organizational conscience touchstone benefiting People Planet and Profit

The Special Constabulary Karen Bullock, Andrew Millie, 2017-07-06 Special constables are warranted officers retained within British constabularies Wearing similar uniforms carrying the same personal protective equipment and holding identical powers to enforce the criminal law special constables are to all intents and purposes indistinguishable from their colleagues in the regular police service However very little is documented about the experiences and motivations of special constables the roles they play in contemporary policing or the impact that they have on the police organisation This book draws together academics and practitioners to provide a valuable insight into historical

international and contemporary themes pertinent to the historical development and contemporary operation of the special constabulary The book critically considers the origins of the special constabulary and the political social and economic factors which led to its evolution over time It compares and contrasts the organisation functions and status of the special constabulary with other auxiliary forces notably from the United States The book also contributes to theoretical understanding of contemporary policing to debates about the roles and operation of the mixed economy of provision and informs policy and practice in the United Kingdom and beyond

Plural Policing in the Global North Nathalie Hirschmann,Tobias John,Frauke Reichl,Jacqueline Abigail Garand,2022-11-24 The volume brings together an international group of authors discussing basic concepts and approaches to plural policing as well as aspects and practices of plural policing in specific locations The context comes from the fact that policing activities are nowadays performed by a growing number and variety of police and non police stakeholders This development is internationally discussed as pluralisation of policing or plural policing This book provides insights into plural policing across different countries of the global North It looks at day to day security which is mainly produced at the local level and where there is considerable diversity in philosophy and practice Therefore it allows learnings for possible future developments in the field This volume contributes to policing studies and is of interest to the wide range of academics dealing with questions of security and order as well as policy makers and practitioners working on security in their regions
