It offers illustrated, detailed coverage of the discoveries, advances and milestones that continue to shape our lives. *I Series* Stephen Haag, James T. Perry, Amy Phillips, 2002. The *I Series* Applications textbooks strongly emphasize that students learn and master applications skills by being actively engaged by doing. These texts have been written with clear, error free and unambiguous steps to accomplish tasks that lead to a finished document, worksheet or database table. The authors made the decision that teaching how to accomplish some task is not enough for complete understanding and mastery. Prior to introducing steps, the authors discuss why the steps students are about to experience are important and what role the steps play in the overall plan for creating a document, workbook or database.
