As a manual for those in the profession and a guide for the publishers of the future this book remains a seminal work for anyone with an interest in the industry It will also be of interest to authors seeking an insider s view of this exciting industry The book is supported by online resources including a glossary a further reading list and links to a range of online resources available at www.routledge.com/9781032516554 *Mujeres entre oriente y occidente: una aproximación crítica feminista a la literatura universal* Leticia de la Paz De Dios, Ana María Crespo Gómez, 2024-12-26 El presente monográfico aspira a actuar como un puente entre literaturas diversas escritas por autoras cuyas experiencias podrán parecer a primera vista distantes o desconectadas entre sí. En puntos en común podrán hallarse entre Sylvia Plath y Bing Xin O entre Fatema Mernissi y Marjorie Agosín. La distancia geográfica entre sus lugares de origen o las diferencias lingüísticas que las separan son respuestas demasiado evidentes para negar la posibilidad de establecer ese puente entre Oriente y Occidente que se propone en esta obra. Invitamos pues a las lectoras a identificar respuestas más precisas y objetivas tras la lectura de los capítulos que se presentan a continuación. The Meaning of Myth in Uncertain Times Evelien Bracke, 2025-12-29 This book examines how ancient mythology forms part of the stories we tell ourselves about today s uncertain times not only in popular culture but also in sociocultural and political debates. It particularly explores the ways in which classical myths shape how our modern secular societies think about the interconnected geopolitical technological and ecological issues we are facing and our potential futures. Classical myths like those of Achilles, Medea and Odysseus are everywhere from films and novels to social media and games. But how and why are we still fascinated with them particularly now? Can these strange and often painful stories from societies so radically different from our own offer us genuine insights today? This expanded English edition of Evelien Bracke s award winning Dutch book *Leidraad door het labirint* explores how and why Greek and Roman myths despite their ancient origins are surprisingly meaningful in these times of uncertainty. Bracke offers a contextualization and literary analysis of classical mythology looking at both texts and visual media. This allows readers to gain a better understanding of how people draw inspiration from the past in their attempt to create a better future and how these stories provide both collective and individual guidance in navigating the turbulent 21st century. *The Meaning of Myth in Uncertain Times* is suitable for students, scholars, teachers and general readers interested in mythology and ancient Greek and Roman history and culture, providing insights that are relevant to the challenges we all face today.
