*The Greatest World Series Games* Warren N. Wilbert, 2005 Author Warren N Wilbert with input from SABR members singles out 26 World Series games worthy of being called one of the best Provided by publisher [Derek Jeter's Ultimate Baseball Guide 2015](#) Larry Dobrow, 2015-02-17 Facts stats and my thoughts on the 30 MLB teams Cover **Baseball Field**

**Guide** Dan Formosa, Paul Hamburger, 2016-03-22 Now in its third edition a clear guide to the complete rules of baseball updated in 2018 Admit it Even if you're a diehard fan of our national pastime sometimes an umpire's call can be a little baffling And for newer fans Major League Baseball's nuanced rules developed and revised over decades can be downright perplexing Now updated throughout with the latest changes including the no pitch intentional walk and bona fide slides for interferences on a double play the Baseball Field Guide explains every rule in plain English Rules that apply before during and after the game Equipment specifications and field requirements Duties of the coaches managers and umpires Rules for spectators yes they have rules too The clearest explanation anywhere of the infamous Infield Fly Rule and much more Designed for quick and intuitive searches this entertaining reference will help you understand every aspect of the game and add to your enjoyment of the sport **The Major League Baseball Ultimate Book of Records** Major League

Baseball, 2013-10-15 Since the first pitch was thrown MLB has tracked the performance of every team and player documented every hit and measured every home run And while some plays are part of the everyday game there are moments in baseball when a player's performance reaches a new level of greatness and new records are made The Major League Baseball Ultimate Book of Records catalogs the game's most remarkable achievements as well as some of the less traditional and quirky stats that all play a part in the game MLB's team of in house writers researchers and historians have scoured the history of the game and written the most accurate complete and definitive record of baseball stats and achievements Major League Baseball Ultimate Book of Records documents the absolute best of the best and packs each achievement into this lavishly illustrated book where fans will be treated to never before seen photographs of their favourite players Double page spreads will show Henderson racing to second base to claim the stolen base record while another full color spread celebrates Bond's crushing hit that set a new threshold for most home runs All the records are here each with an account of events and spectacular photographs that make this truly the most spectacular baseball book ever published [The Cultural Encyclopedia of Baseball, 2d ed.](#)

Jonathan Fraser Light, 2016-03-25 More than any other sport baseball has developed its own niche in America's culture and psyche Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays Many trace the beginnings of the civil rights movement in part to the Major Leagues decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere
