*Red Stream* Paul Tracy, 2013-03-28 Max paused and bent his head at an angle to get a better look That was wine a leak coming from one of the vats not much a dribble but definitely a leak wending its way across the slightly sloping floor of the cellar into the gutter running down the middle He walked briskly towards it then stopped catching his breath The shiny black shoes stuck out foolishly into the alley just below the blue overalls Pierre Berton a youngish man with sandy hair lay on his side with a sad expression on his face The red stream gently seeping across the cellar floor was not wine This macabre discovery in a wine cellar in south west France is the beginning for Max Christian winemaker extraordinary of a chase to uncover a huge network of wine fraud with worldwide tentacles The pursuit takes him to Provence London Italy and California with the increasing feeling that he is gradually turning from the hunter into the hunted But in that case who are the hunters Written by an insider *Red Stream* is an amazing thriller that perfectly takes advantage of its unusual background Highly recommended for everyone a must have for all wine lovers
