Fat Loss Habits

Ben Carpenter, 2025-01-28 From the bestselling author of Everything Fat Loss Fat Loss Habits is a myth busting action focused guide that will transform your relationship with food for good Good habits are powerful Repeated actions bring about change one step at a time and help us ensure that these changes become part of our lives But when it comes to fat loss too often the focus is on bad habits We've all heard that snacking between meals stress eating and mid week takeaways won't help us lose weight but that doesn't make it easier to stop doing these things On top of this we're constantly bombarded with articles and videos telling us why certain foods are bad or toxic or poison This makes the search for basic nutrition advice almost impossible and it's not surprising

that so many people feel confused about what to eat Ben Carpenter is a fitness coach research nerd and trusted source of no bullshit fat loss information who has spent his entire adult life working in the fitness industry researching the real science and studies behind fat loss and answering questions with simplified unbiased answers Ben's point is this The best weight loss diet doesn't exist From keto to intermittent fasting no diet is superior They all work in the short term but are rarely sustainable for the long term nor is it a good idea to be on a weight loss diet forever The better solution is to maintain stronger positive motivators that make us want to stay healthy the easiest way to do this is through simple effective habits To help readers achieve true health Ben offers a three step plan understanding the science unveiling the fat loss options available choosing what habits work for you Let's say goodbye to specific diet plans and products and hello to implementing sustainable fat loss habits based on our own personal preferences **Dietotherapy v. 3** William Edward Fitch, 1918
