The Case for Rural America J. Tom Mueller,2025-09-29 Rural America is at a crossroads either it will manage to sustain itself long term or as current trends suggest it will continue to disappear through depopulation and urbanization There have been calls for economic redevelopment but even with these proposals J Tom Mueller argues that policymakers politicians and academics rarely make a clear case for why rural America matters and is worth saving in the first place In this provocative book Mueller meets these issues head on by presenting a critique of conventional economic development efforts while also articulating why rural America is worthy of preservation The Case for Rural America outlines the actions necessary to save our rural places and the people who live there By suggesting approaches that would benefit urban populations as well as rural such as establishing a universal basic income and implementing single payer healthcare Mueller offers a nuanced understanding of the complex needs of rural America while providing solutions that would benefit us all
